STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The auditors, Price Waterhouse, have expressed their willingness to continue in office and a resolution for their re-appointment, also authorising the Directors to fix their remuneration, will be proposed at the Annual General Meeting.

AUDITORS' REPORT TO THE MEMBERS OF GUINNESS BREWING WORLDWIDE LIMITED

We have audited the financial statements on pages 6 to 19 which have been prepared under the historical cost convention, as modified by the revaluation of certain fixed assets, and the accounting policies set out on pages 9 and 10.

Respective responsibilities of directors and auditors

As described on page 4 the Company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the Company's affairs as at 31 December 1995 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

STATEMENT OF TOTAL RECOGNISED GAINS AND LOSSES

The company had no recognised gains and losses other than the profit for the year.

NOTE OF HISTORICAL COST PROFITS AND LOSSES

There is no material difference between the reported profit for 1995 and 1994 and the profit for those years restated on an historical cost basis.

Movement on reserves are shown in Note 19 to the financial statements.

The notes on pages 9 to 19 form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 1995

1 ACCOUNTING POLICIES

(1) Basis of accounting

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of land and buildings, and in accordance with applicable accounting standards.

Consolidated financial statements have not been prepared as the Company is a wholly-owned subsidiary of another company incorporated in Great Britain, nor has a statement of cash flows been provided because the Guinness PLC consolidated accounts include such a statement.

(2) Depreciation

Tangible assets are depreciated in equal annual instalments at rates calculated to write off their cost or valuation over the term of their estimated useful lives. Details of depreciation rates are given in note 9.

(3) Leased assets

Assets acquired under finance leases, comprising vehicles, casks and computer equipment, are capitalised. The annual costs in respect of operating leases are charged to the profit and loss account as incurred and disclosed under the headings of "hire of plant and machinery" and "other operating lease charges".

(4) Stocks

Valuation of stocks is at the lower of cost and net realisable value. Cost includes raw materials, excise duty and the appropriate proportion of labour costs, production and other overheads.

(5) Research and development expenditure

All research and development expenditure is written off to the profit and loss account as incurred.

(6) Investments

Investments are stated at cost less amounts written off.

NOTES TO THE FINANCIAL STATEMENTS - 31 DECEMBER 1995 (CONTINUED)

1 ACCOUNTING POLICIES (CONTINUED)

(7) Foreign currency

Assets and liabilities denominated in foreign currencies are translated into sterling using contract rates of exchange or exchange rates prevailing at the balance sheet date, as appropriate. Exchange differences arising from foreign currency transactions in the normal course of trading are dealt with in the profit and loss account.

(8) Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation, on differences between the treatment of certain items for accounting and taxation purposes, is accounted for to the extent that a liability or an asset is expected to crystallise within the foreseeable future.

(9) Pensions

The Company is a member of a group pension scheme which is operated by its ultimate holding company, Guinness PLC. Contributions to the scheme are assessed by a qualified actuary based on the cost of providing pensions across all participating group undertakings. Costs are not determined for each individual undertaking, and accordingly, contributions are charged to the profit and loss account when they become payable.

2 TURNOVER

Turnover represents the net amounts receivable including duties where applicable but excluding value added tax.

The Company carries out principally one class of business, that of brewing and marketing Guinness Stout and other brands of beer and lager. Turnover and profit predominantly arise within the United Kingdom. Further segmental information is provided in the accounts of the parent company, Guinness PLC.

The turnover includes £88.0 million (1994 - £78.0 million) of sales to fellow subsidiaries.

22 PENSIONS

The Company is a member of a group pension scheme which is operated by its ultimate holding company Guinness PLC. The scheme is of the defined benefit type, is administered by a trustee company and is maintained independently of the finances of Guinness PLC and its subsidiary undertakings.

Contributions to the scheme are assessed by a qualified actuary based on the costs of providing pensions across all participating Group undertakings. Costs are not determined for each individual undertaking and, accordingly, contributions are charged to the profit and loss account when they become payable.

A valuation of the scheme was performed in 1993 by the actuary and particulars of the valuation are included in the accounts of Guinness PLC.

The charge to the profit and loss account in respect of pension costs was £4,772,000 (1994: £5,116,000.)
