Director's report for the year ended 31 December 2014

Registered no: 00513363

The director presents the annual report and the audited financial statements of the company for the year ended 31 December 2014.

Principal activities

Datasure Holdings Limited is a wholly owned non-trading holding company.

Review of business and future developments

The company did not trade during the current or preceding year, and made an operating result of £nil (2013: £nil).

No dividends were paid or proposed (2013: £nil).

Financial risk management

The company has limited exposure to financial risk as all material financial instruments are with companies within the group headed by Xchanging plc, Datasure Holdings Limited's ultimate parent undertaking. Further discussion of these risks and uncertainties, in the context of the group as a whole, is provided in the group's annual report, which does not form part of this report.

Directors

The directors who held office during the year and up to the date of signing the financial statements were:

A Binns Resigned 4 February 2014
S Dews Resigned 26 January 2015
T Croom Appointed 4 February 2014

Going concern

The director believes that preparing the financial statements on the going concern basis is appropriate as the ultimate parent company Xchanging plc has confirmed that it or any of its subsidiaries will not call upon any intercompany loans provided to Datasure Holdings Limited if repayment of the loan would cause Datasure Holdings Limited to be unable to meet its liabilities as they fall due, for a period of at least fifteen months from the date of signing of these financial statements.

Director's report for the year ended 31 December 2014 (continued)

Director's Responsibilities Statement

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to auditors

The director of the company, in office at the time of approval of this report, acknowledges that:

- so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware; and
- They have taken all the steps that they ought to have taken as director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and therefore a strategic report has not been prepared by the director.

Independent Auditors

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office, and a resolution that they be re-appointed will be proposed at the annual general meeting.

On behalf of the board

Independent Auditors' Report to the Members of DATASURE HOLDINGS LIMITED

Report on the financial statements

Our opinion

In our opinion, Datasure Holdings Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

Datasure Holdings Limited's financial statements comprise:

- the Balance sheet as at 31 December 2014;
- the Profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the director has made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Director's Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- · we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Independent auditors' report to the members of DATASURE HOLDINGS LIMITED

Director's remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of director's remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the director was not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the director

As explained more fully in the Director's Responsibilities Statement, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the director; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the director's judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

Independent auditors' report to the members of DATASURE HOLDINGS LIMITED (continued)

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Notes to the financial statements for the year ended 31 December 2014

1 Principal accounting policies

The financial statements have been prepared in accordance with the Companies Act 2006 and applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which, unless otherwise stated, have been applied consistently with the prior year, is set out below.

Basis of accounting

The financial statements are prepared on a going concern basis in accordance with the historical cost convention.

Going concern

The director believes that preparing the financial statements on the going concern basis is appropriate as the ultimate parent company Xchanging plc has confirmed that it or any of its subsidiaries will not call upon any intercompany loans provided to Datasure Holdings Limited if repayment of the loan would cause Datasure Holdings Limited to be unable to meet its liabilities as they fall due, for a period of at least fifteen months from the date of signing of these financial statements.

Cash flow statement and non-consolidation of subsidiary undertakings

The company is a wholly owned subsidiary of Xchanging plc and is included in the consolidated financial statements of Xchanging plc which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (revised 1996) and has also taken advantage of the exemption from preparing consolidated financial statements under the terms of s400 of the Companies Act 2006.

Fixed asset investments

Fixed asset investments are stated at cost less any provision for impairment. Impairment reviews are conducted at the end of the first full year following acquisition and thereafter where indicators of impairment are present.

Related party transactions

The company has taken advantage of the exemption available in Financial Reporting Standard 8 not to disclose transactions with related parties that are wholly owned by the group.

2 Director's emoluments

The emoluments of directors are paid by other Group companies which makes no recharge to the company. All directors are directors of other Group companies and a number of fellow subsidiaries and it is not possible to make an accurate apportionment of his emoluments in respect of each of the subsidiaries. Accordingly, the above details include no emoluments in respect of the Directors. Their total emoluments are included in the aggregate of directors' emoluments disclosed in the financial statements of the other Group companies

Notes to the financial statements for the year ended 31 December 2014 (continued)

3 Employees

The company had no employees during the current or prior year, and the auditors' fees in relation to the audit of the Company totalling £2,000 (2013: 2,000) were borne by Xchanging Global Insurance Systems Limited.

4 Tax on result on ordinary activities

	2014	2013
•	£'000	£'000
Current tax:		
Tax on result on ordinary activities	-	-
Adjustments in respect of prior years	21	(41)
Total tax charge/(credit) for the year	21	(41)

The current tax assessed for the year is higher (2013: lower) than the standard rate of corporation tax in the UK of 21.5% (2013: 23.25%). The standard rate of corporation tax in the UK changed from 23% to 21% with effect from 1 April 2014. Accordingly the company's profits for the accounting year are taxed at a blended rate of 21.5%. The differences are explained below.

	2014	2013
	£'000	£'000
Result on ordinary activities before tax	-	-
Result on ordinary activities multiplied by the standard rate of corporation tax in the UK of 21.5% (2013: 23.25%)	-	-
Adjustments in respect of prior years	21	(41)
Total tax charge/ (credit) for year	21	(41)

Factors affecting current and future tax charges

The Finance Act 2013 reduced the main rate of corporation tax in the UK to 21% from 1 April 2014 and to 20% from April 2015.

Notes to the financial statements for the year ended 31 December 2014 (continued)

5 Investments

The company has the following wholly owned principal subsidiary undertakings:
