1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on the assumption that the company will continue in operational existence for the foreseeable future.

The validity of this assumption depends on the continuing support of the director and company's creditors.

If the company was unable to continue in existence for the foreseeable future, adjustments would be necessary to reduce the balance sheet value of assets to their recoverable amounts, to reclassify fixed assets as current assets and to provide for further liabilities which may arise.
