1 ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's accounts.

These financial statements have been prepared in accordance with the historical cost convention, Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and in accordance with applicable United Kingdom laws. In the transition to FRS 102 the Company made no measurement and recognition adjustments.

Under Financial Reporting Standard 1 (revised), the Company is exempt from the requirement to prepare a cash flow statement on the grounds that its ultimate parent company includes the Company's cash flows in its own published consolidated accounts.
