The directors consider that the company is entitled to exemption from the requirement to have an audit under the provisions of section 249A(1) of the Companies Act 1985. Members have not required the company, under section 249B(2) of the Companies Act 1985, to have an audit for the period ended 31 March 2008. The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985, and for preparing financial statements which give a true and fair view of the state of affairs of the company as at 31 March 2008 and of its results for the period then ended in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to the financial statements so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

NOTES TO THE ABBREVIATED ACCOUNTS - 31 MARCH 2008

1 ACCOUNTING POLICIES

1.1 Basis of accounting The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007)

1.2 Turnover - Turnover represents the total amount receivable by the company for services provided

1.3 Depreciation of fixed assets - Depreciation is provided, after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life

Investment property	Nil
Fixtures, fittings and equipment	15% on reducing balance
Computer equipment	33% on cost

1.4 Investment properties - In accordance with the Financial Reporting Standard for Smaller Entities, certain of the company's properties are held for long term investment and are included in the Balance Sheet at their open market values. The surpluses or deficits on revaluation of such properties are transferred to the Investment Property Revaluation Reserve. Depreciation is not provided in respect of freehold investment properties. Leaseholds are not amortised where the unexpired term is over 20 years.

1.5 Deferred taxation - The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average rates that would apply when the timing differences are expected to reverse, based on tax rates and laws that have been enacted by the balance sheet date.
