In accordance with the provisions of Section 94 of the Insolvency Act 1986, I present, for your information, my final progress report on the liquidation for the period 17 December 2015 to 9 December 2016

This report should be read in conjunction with my annual progress report dated 6 January 2016

#### **Statutory Information**

I, Malcolm Cohen, of BDO LLP, 55 Baker Street, London, W1U 7EU was appointed as Liquidator of the Companies on 17 December 2014

The Companies' registered numbers and former names are detailed in the attached Schedule A. They do not have any other trading styles.

Prior to liquidation, the Companies' trading address and registered office was 15 Grosvenor Street, London, W1K 4QZ. The registered office was changed to 55 Baker Street, London, W1U 7EU following my appointment.

#### **Receipts and Payments**

There have been no receipts or payments in the liquidation period.

The Companies' sole assets are intercompany debtor balance owed by group companies as detailed in the attached Schedule B. These amounts were distributed in specie to the Companies' respective shareholders prior to the final meetings of members being held.

BDO LLP, a UK limited liability partnership registered in England and Wales under number OC305127, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the International BDO network of independent member firms. A list of members' names is open to inspection at our registered office, 55 Baker Street, London W1U 7EU. BDO LLP is authorised and regulated by the Financial Conduct Authority to conduct investment business.

Details of the authorising bodies of the insolvency appointment takers of BDO LLP are available at [www.bdo.co.uk/services/business\\_restructuring/authorising\\_bodies\\_of\\_insolvency\\_appointment\\_takers](http://www.bdo.co.uk/services/business_restructuring/authorising_bodies_of_insolvency_appointment_takers)

**HM Revenue & Customs ("HMRC")**

I am required to obtain clearances that there are no outstanding matters and no objections to the closure of the liquidations from both the Corporation Tax Inspector, and HMRC's Enforcement & Insolvency Service which provides VAT and PAYE clearances and issues HMRC's proof of debt for all taxes

**Corporation Tax**

As previously reported I received clearances for Capco Empress State LP Limited, Changeopen Residents Management Limited and Sanderling Enterprises Limited in 2015

A & P Bolding Limited, Capco CG 2010 Limited and Martineau Properties Limited were all required to submit corporation tax returns for the period to the date of liquidation. These were submitted to HMRC in December 2015.

Further to this I received notification of claims in respect of both A & P Bolding Limited and Capco CG 2010 Limited together with penalty notices. The liabilities were settled by the Companies' parent group in January 2016, and the penalties were successfully challenged.

In April 2016 I was advised that both the above two Companies still had residual debts outstanding in respect of interest that had accrued. These amounts were also settled by the parent group.

I have now received all corporation tax clearances required.

**VAT**

Sanderling Enterprises Limited and Capco CG 2010 Limited were registered for VAT but application was made to de-register them for VAT purposes prior to my appointment. The other five companies were not registered for VAT.

No matters were expected to arise in respect of VAT, but I received a final VAT return for Capco CG 2010 Limited for the one day period 1 December 2014. The Companies' parent group confirmed this was a nil return and it was submitted to HMRC in January 2016.

EIS has now provided all PAYE and VAT clearances required and issued final nil proof of debt claims for all of the Companies.

**Sundry Receipt**

In July 2016 I received notice that a business rates refund of some £10,000 was due to Capco CG 2010 Limited. The costs of opening a bank account for this company and dealing with its administration would not have been cost effective. Accordingly I requested that the refund be paid direct to the company's ultimate shareholder as this company would be the ultimate beneficiary of the funds. The payment was duly made.

**Distributions**

As previously stated, distribution in specie of the intercompany balances owed to the Companies were made prior to the final meetings of members being held.

**Liquidator's Remuneration**

Pursuant to the Insolvency Rules 1986, the Liquidator is obliged to fix his remuneration in accordance with Rule 4.148A(2) of the Insolvency Rules 1986. This permits remuneration to be fixed either

- (1) as a percentage of the assets realised and distributed, and/or
- (2) by reference to the time the Liquidator and the staff have spent attending to matters in the liquidation, and/or
- (3) as a set amount, and/or
- (4) as a combination of the above

My remuneration was approved on a time costs basis on the date of my appointment. My staff and I have spent time on matters arising in the normal course of the liquidations. The main areas dealt with include

- liaising with the Companies in relation to matters prior to the Liquidator's appointment;
- statutory reporting requirements to members,
- statutory reporting requirements to the Registrar of Companies,
- dealing with statutory advertising requirements,
- regular updates to the Companies' parent group,
- correspondence with HMRC in order to obtain the necessary clearances to close the liquidations, including ensuring payments of liabilities and challenging penalties,
- dealing with creditor claims,
- preparing the annual progress reports,
- dealing with the business rates refund,
- considering the distribution of assets, and
- convening of the final meetings of members

Time costs for the entire duration of the liquidations to date total £24,172.70 represented by 63.25 hours of work carried out by myself and my staff at an average hourly rate of £382.18 as detailed by the enclosed time costs summaries. Time costs for the period under review total £10,873.70 represented by 21.75 hours of work at an average hourly rate of £499.94.

As agreed with the ultimate shareholder of the Companies, I have invoiced the sum of £23,750 plus disbursements and VAT to an appropriate associated company as none of the Companies held or holds any funds. No further costs will be drawn.

**Disbursements**

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements.

The sum of £1,507.45 has been incurred in respect of category 1 disbursements for statutory advertising costs and the costs of the indemnity bonding, and have been invoiced as detailed above.

**Members' rights**

I provide at the end of this report an extract from the Insolvency Rules 1986 setting out the rights of members to request further information and/or challenge the remuneration or expenses within the liquidations.

**Liquidation Closure**

The shareholders were invited to consider the following resolutions

- 1 That the Liquidator's report and accounts to 9 December 2016 be and are hereby approved
- 2 That the Liquidator is authorised to dispose of the Companies' books and records one year after the dissolution of the Companies.
- 3 The Liquidator is released

The resolutions were all duly approved.
