### **Risk management**

## **SECTION C: OBJECTIVES AND ACTIVITIES**

### **Objectives**

The Object of the charity is:

The advancement of education of children and students for the public benefit in particular but without limitation establishing, sponsoring, funding or managing one or more schools or colleges.

This is encapsulated in its aim of ‘inspiring excellence in primary education’.

The Trustees’ current objectives are as follows:

- To monitor and support, as Sponsor, the work of Temple Grove Academy Trust (TGAT) in running its first primary academy (Temple Grove Academy) and plans for its expansion to include further primary academies, or free schools, in the TGAT group.
- To continue to work with the Haberdashers’ Aske’s Academies Federation (HAAF), supporting the primary age phases of three all-through academies in South London (a total of five campuses educating some 1,400 primary children).
- To manage the Trust’s liquid resources through suitable investment managers and through short term deposits with reputable institutions and to use the income from these resources to support the general running costs of the Trust and to make grants to other projects as and when identified.
- To inspire the spread of excellence in primary education in England; bringing together the best people and features from both the private and public education sectors.
- To continue restructuring the Trust to assist in the efficient performance of the above objectives, to make its work lasting, and to better position the Trust for future.

### **Strategy for achieving objectives**

The Trust provides resources to support the progress of Temple Grove Academy Trust (TGAT) and its first primary academy, Temple Grove Academy (TGA). This includes:

- The provision of enrichment funding to TGA to support activities and equipment for children attending TGA.
- The provision of financial support to TGAT to cover exceptional costs associated with the replacement of the Senior Leadership team during the financial year.
- The nomination of three Directors of TGAT.

The Trustees have continued to support the primary phase of the Haberdashers’ Aske’s Academies Federation (HAAF) by:

- The provision of enrichment funding for use by the primary phase of the HAAF, financed by the income earned from a separately identifiable Restricted Fund. The assets of the fund are managed by third-party asset managers supervised by the Trustees. The endowment is invested to provide the requisite annual income, whilst retaining an element of capital growth.
- The nomination of two Governors to the HAAF.

## **SECTION D: ACHIEVEMENTS AND PERFORMANCE**

### **Review of activities**

#### Temple Grove Academy Trust (TGAT)

The Trust supports TGAT by nominating three Directors and providing funding to facilitate organisational changes at TGAT and educational enrichment at Temple Grove Academy (TGA). As TGA is the academy trust's only school to date, the focus has been on improving teaching and pupil performance throughout the academy.

The academy was judged to be "requiring improvement" by Ofsted in May 2017. A new Senior Leadership team of Chief Executive of TGAT and Consultant Executive Head of TGA was appointed in September 2017. An HMI inspection took place in May 2018 and the published report stated that the academy had made significant progress, with particular reference to the provision of a wide and broad curriculum. The MHI also commented on the strong leadership and the pleasing SATs results for both key stage one and key stage two.

The academy has an above average number of disadvantaged children at 28% and an above average number of pupils with special educational needs at 25%. In the SATS results in July 2018, reading and maths progress was in line with national, although combined attainment at EXS+ (expected standard at KS2) was 3% below national. The academy has a monitoring board to track the progress and achievements of all pupils in the academy and to ensure that performance more than justifies an Ofsted "Good" rating at the next inspection due in late 2019.

The academy has completed a consultation to reduce its PAN from 60 to 30 in September 2019 (i.e. reduce from a two-form entry to a one-form entry). This will enable TGAT to have greater certainty when budget forecasting and deploying its resources. However, the reduction in the forecast size of the academy still presents a financial risk, particularly against a backdrop of cuts to central funding and announcements of teachers' pay and increasing pension contributions. Where possible, the Trustees intend to alleviate these risks in the future by taking on other schools and through partnerships with other academy trusts.

#### Haberdashers' Aske's Academies Federation (HAAF)

The Trust supports HAAF by nominating two Governors and providing funding for the primary phases. HAAF currently manages three school clusters:

1. Haberdashers' Aske's Hatcham College, Hatcham Temple Grove Free School and Hatcham Temple Grove School at New Gross, London;
2. Haberdashers' Aske's Knights Academy with its single primary school, Knights Temple Grove, at Bromley, Kent; and
3. Haberdashers' Aske's Crayford Academy at Crayford, Kent with its two primary schools, Crayford Temple Grove North and South.

Of HAAF's four academies – Hatcham TG Free School is legally a separate academy – 2 are judged to be "outstanding" by Ofsted and 2 are judged to be "good".

The Federation's performance in the early years' foundation phase, the year on phonics test and key stage 1 attainment remain above the national average. The individual primary schools all performed above national average on all of these measures, apart from Knights Academy which was below national average for key stage 1 attainment, in line with the national average for the phonics test and above the national average for early years foundation stage attainment. Progress at key stage two improved significantly compared to last year across the Federation and in each school, demonstrating the impact of making this a priority over the last twelve months. However, attainment at key stage 2 across the Federation remains below the national average for the year and will

therefore be subject to further Federation intervention support.

### **Financial review**

The Trust made grants of £123,872 during the year (2017: £73,954):

- £15,000 was donated to TGAT (2017: £ nil)
- £18,410 was donated to TGA (2017: £10,000)
- £90,462 was donated to HAAF (2017: £63,954), of which £66,508 related to the year to 31 August 2018 and £23,954 related to the previous year, a timing difference.

The Trust incurred costs (staff and establishment costs) of £9,335 during the year (2017: £35,792).

Income plus gains on revaluations of investment assets totalled £158,686 (2017: £307,365) resulting in an increase in the Trust's funds of £25,479 during the year (2017: £197,619).

### **Investment policy and performance**

The Trustees continued with their policy for the long-term investment of their assets, placing the Trust's liquid resources in the hands of carefully selected investment managers, one for the Restricted Fund and another for the Unrestricted Fund, and retaining only minimal cash funds to service short term liabilities. They believe that this policy best matches the requirements and risks of their activities. The policy is reviewed annually.

The Trustees use the income earned from its Unrestricted Funds in defraying the cost of furthering its overall objectives. Income earned on its Restricted Fund is used for that endowment only and is now paid over to the beneficiary during the same year.

### **Future developments**

The Trustees' primary focus continues to be the support given to the HAAF and to TGAT. The Trustees remain committed towards raising awareness of the importance of primary education and will support initiatives to that effect.

### **Trustees' responsibilities statement**

The Trustees (who are also directors of Temple Grove Schools Trust Limited for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the

charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the Trustees on and signed on their behalf by:
