The Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause 16.

17. PRESERVATION OF SECURITY

17.1 Continuing security

This Security is continuing and will extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment or discharge in whole or in part.

17.2 Reinstatement

- (a) If any discharge, release or arrangement is made by the Trustees in whole or in part on the faith of any payment, security or other disposition which is avoided, set aside, refunded or reduced under any applicable law or proves to have been invalid or must be restored in insolvency, liquidation, administration or otherwise without limitation, the liability of the Chargor under this Deed will continue as if the discharge, release or arrangement had not occurred.
- (b) The Trustees may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

17.3 Waiver of defences

The liabilities and obligations of the Chargor under this Deed shall remain in full force and effect and will not be affected by any act, omission, neglect, event or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to the Chargor or any Trustee) including:

- (a) any time, waiver, consent or other accommodation granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;

- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any amendment, novation, supplement, extension or restatement (however fundamental and whether or not more onerous, and of whatsoever nature) or replacement of this Deed, and Secured Liability or any other document or security, including any agreement or document relating to the Scheme;
- (g) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under this Deed, or any Secured Liability or any other document or security; or
- (h) any insolvency or similar proceedings.

17.5 Immediate recourse

The Chargor waives any right it may have of first requiring any Trustee (or any trustee, agent or appointee on its behalf) to proceed against or enforce any other right or security or claim payment from any person before claiming from the Chargor under this Deed. This waiver applies irrespective of any law to the contrary.

17.6 Appropriations

Each Trustee (or any trustee, agent or appointee on its behalf) may at any time during the Security Period without affecting the liability of the Chargor under this Deed:

- (i) be subrogated to any rights, security or moneys held, received or receivable by any Trustee;
- (ii) to claim any contribution or indemnity from any other guarantor of any Company's obligations or liabilities to make payments to the Scheme or in respect of any payment made or moneys received on account of the Chargor's liability under this Deed;
- (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Trustees in respect of any Company's obligations or liabilities to make payments to the Scheme, or under or pursuant to any other guarantee or security taken by the Trustees pursuant to or in connection with such obligations or liabilities of any Company;
- (iv) to bring legal or other proceedings for an order requiring any Company to make any payment, or perform any obligation, in respect of any Secured Liability;
- (v) to exercise any right of set-off against any Company; and/or
- (vi) to claim, rank, prove or vote as a creditor of any Company, or its estate in competition with the Trustees (or any trustee or agent on their behalf).

If the Chargor receives any payment, distribution, benefit or security in relation to such rights it shall hold that payment, distribution, benefit or security on trust for the Trustees and immediately pay or transfer the same to the Trustees or in accordance with any directions given by the Trustees.

17.8 Additional security
