NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31ST AUGUST 2010

1 ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents amounts receivable for goods and services, net of value added tax and trade discounts

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Freehold property	- 5% on cost
Plant and machinery	- 25% on reducing balance
Motor vehicles	- 20% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease

Leased assets

Assets sold to customers under hire purchase contracts are excluded from the fixed assets of the company and reported in the balance sheet as debtors due within or after one year for the amount expected to be received from those contracts. Receipts from hire purchase contracts contain a capital element which reduces the debtor, and an interest charge which is credited to revenue so as to give a constant return on funds invested in the contracts

Investment property

These represents properties held by the company for their investment potential. They are included in the balance sheet at market value as determined by the director
