## **INDEPENDENT AUDITORS' REPORT TO THE COMPANY**

### **PURSUANT TO SECTION 247B OF THE COMPANIES ACT 1985**

---

We have examined the abbreviated accounts on pages 2 to 5, together with the financial statements of the company for the year ended 30th June 2002 prepared under Section 226 of the Companies Act 1985.

#### **Respective Responsibilities of the Directors and the Auditors**

The directors are responsible for preparing the abbreviated accounts in accordance with section 246 of the Companies Act 1985. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act to the registrar of companies and whether the accounts to be delivered are properly prepared in accordance with those provisions and report our opinion to you.

#### **Basis of Opinion**

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared. The scope of our work for the purpose of this report did not include examining or dealing with events after the date of our report on the financial statements.

#### **Opinion**

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with sections 246(5) and (6) of the Act, and the abbreviated accounts on pages 2 to 5 are properly prepared in accordance with those provisions.

## **NOTES TO THE ABBREVIATED FINANCIAL STATEMENTS**

**YEAR ENDED 30TH JUNE 2002**

---

### **1. Accounting Policies**

#### **Basis of Accounting**

The financial statements have been prepared under the historical cost convention and in accordance with applicable Accounting Standards, modified to include the revaluation of investment properties, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

#### **Turnover**

Turnover comprises rent and service charges receivable. The company's activities are exempt from VAT.

The turnover and pre-tax profit are derived from the company's principal activity which was carried out wholly in the United Kingdom.

#### **Depreciation**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Motor Vehicles	- 25% p.a. on a straight line basis
Furniture and Equipment	- 20% p.a. on a straight line basis

#### **Investment Properties**

The company's investment properties are included in the Balance Sheet at their open market values. The surplus or deficit on annual revaluation of such properties is transferred to the revaluation reserve. Depreciation is not provided in respect of freehold investment properties. Leasehold investment properties are not amortised where the unexpired term is over twenty years.

This policy represents a departure from statutory accounting principles, which require depreciation to be provided on all fixed assets. The directors consider that this policy is necessary in order that the financial statements may give a true and fair view because current values and changes in current values are of prime importance rather than the calculation of systematic annual depreciation. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

#### **Pension Costs**

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the Profit and Loss Account.

#### **Deferred Taxation**

Full provision without discounting is made for all timing differences which have arisen but not reversed at the balance sheet date. Provision is made for future taxation on gains on revalued assets only where a binding agreement to dispose of the asset exists at the year end. Deferred tax assets are only recognised to the extent that the Directors consider that it is more likely than not there will be suitable profits from which the future reversal of the underlying timing differences can be deducted.
