NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements depart from the standard format of the Companies Act 2006 in that the Profit and Loss Account has been replaced by a Revenue Account. This departure, as permitted by section 396 of the Companies Act 2006, has arisen because the directors consider that this presentation is more appropriate given the nature of the company's activity. The result for the year is unaffected by the accounting treatment adopted.

Cash flow statement

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement under Financial Reporting Standard for Smaller Entities (effective April 2008).

Service charge income

Service charge income represents service charges receivable from the lessees for the year.

2 DIRECTORS' REMUNERATION

No remuneration was paid to the directors during the year (2013 - £Nil)

3 TAXATION

No liability to UK corporation tax arose on activities for the year ended 31 December 2014 nor for the year ended 31 December 2013.
