NOTES TO THE ABBREVIATED ACCOUNTS **FOR THE YEAR ENDED 31 MARCH 2014**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Tangible fixed asset

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant & machinery - 25% on written down value

Fixtures & fittings - 25% on written down value

Motor vehicles - 25% on written down value

Freehold property - No depreciation is provided on freehold properties as it is the company's policy to maintain these assets in a continual state of sound repair. The useful economic lives of these assets are thus so long and residual values so high that any depreciation would not be material. Residual values are based on prices prevailing at the date of acquisition or subsequent valuation. Provision is made in the profit and loss account for any permanent diminution in value.

The company has taken advantage of the transitional provisions of FRS 15 and not to revalue land and properties of the company.
