# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 OCTOBER 2009

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### 1.2 Compliance with and departure from accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

As more fully explained in note 3, the company's investment property is stated at cost instead of being revalued to market value as required by the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts. Rental income is accounted for gross when receivable, amounts received in advance are deferred.

#### 1.4 Tangible fixed assets and depreciation

Investment properties are included in the balance sheet at cost. This is a departure from the Financial Reporting Standard for Smaller Entities (effective April 2008) which requires investment properties to be shown at open market value.

#### 15 Revenue recognition

Revenue is recognised when rents are due
