Upon such allocation being made, the Vendor shall be bound, on payment of the said price, to transfer the shares to the purchaser or purchasers, and if he make default in so doing, the Board may receive and give a good discharge for the purchase money on behalf of the Vendor, and enter the name of the purchaser in the register of members as holder by transfer of the said shares purchased by him.

10. In the event of the whole of the said shares not being sold under the foregoing provisions of this Article, the vendor may at any time within six calendar months after the expiration of the said twenty-one days transfer the shares not so sold to any person (subject to Clause 3 of Part II of Table "A").

2. That in accordance with the recommendation of the Directors it is desirable to capitalise the sum of £30 being part of the undistributed profits of the Company standing to the credit of the Company's Profit and Loss Account and that the same be applied in making payment in full at par of 30 unissued new Ordinary Shares of £1 each such shares to be distributed, credited as fully paid, to and amongst the persons who were registered as holders of the existing Shares (to be converted by Resolution No. 4 below to Deferred Shares) in the capital of the Company at the closing of the books of the Company on the 30th day of April 1968 in proportion to the amounts paid or credited as paid on such shares held by them respectively on that day, such fully paid new Ordinary Shares to rank for all dividends declared after the date hereof.
