The financial statements are required by law to give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these financial statements the directors are required to

- select suitable accounting policies and apply them consistently,

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
