Directors' report

The directors present their report and financial statements for the 52 weeks ended 31 March 2018.

Principal activities

The company has not traded during the period but prior to the disposal of operations in January 2011 the company's principal activity was the operation of a bingo and social club in Corby, Northamptonshire.

Business review

The results of the Company are set out in the profit and loss account on page 4. The profit before tax for the period was £nil (2017: nil).

Development and performance of the business

The company is a member of the Full House Holdings Limited group of companies (the "group"). Following the disposal of all operations in a series of transactions concluded in March 2011 the directors have remained focussed on ensuring an orderly wind down of the group's remaining affairs before determining the future strategy for the group.

The company and the group continue to pursue claims with HMRC relating to the VAT regime for bingo and gaming. The eventual outcome and timetable for dealing with these matters remains uncertain.

On the basis of the cash flow forecasts that have been prepared for at least twelve months from the date of approval of these financial statements, including a reasonable downside case, the Directors consider that the group will have sufficient cash available to it to settle all of its creditors as they fall due for payment. The group and company should continue to have access to adequate resources to continue in operational existence for the foreseeable future. For these reasons, the directors continue to adopt the going concern basis in preparing the annual report and accounts.

Principal risks and uncertainties

The principal risks and uncertainties have been identified in the development and performance of the business section above.

Key performance indicators

The company no longer trades.

Proposed dividend

The directors do not recommend the payment of a dividend (2017: £nil).

Directors

The directors who held office during the period were as follows:

Mr D N Rimmer
Mr J J Walker

Political and charitable contributions

The Company made no political or charitable contributions during the period (2017: £nil).

Audit Exemption

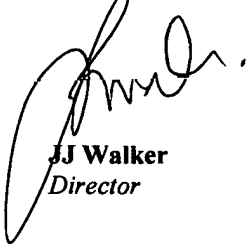

The Company qualifies as a small company under s382 and s477 Companies Act 2006 and is exempt from the legal requirement to prepare audited financial statements.

Directors' report *(continued)*

Small company provisions

This report has been prepared in accordance with the special provisions for smaller companies in Part 15 of the Companies Act 2006.

Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice applicable to Smaller Entities, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes

(forming part of the financial statements)

1 Accounting policies

Company information

Hamblins Leisure Services Limited is a private company limited by shares incorporated in England & Wales. The registered office is Haberfield, Old Moor Road, Wennington, Lancaster, LA2 8PD.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

The dormant companies' transitional exemption in FRS 102 has been used and the company has elected to retain its accounting policies for reported assets, liabilities and equity at the date of transition to this FRS until there is any change to those balances or the company undertakes new transactions.

Going concern

The financial statements have been prepared on the going concern basis, which the Directors believe to be appropriate for the following reasons. The company is a member of the Full House Holdings Limited group of companies (the "group"). Following the disposal of all operations in a series of transactions concluded in March 2011 the directors are now focussed on ensuring an orderly wind down of the group's remaining affairs before determining the future strategy for the group.

On the basis of the cash flow forecasts that have been prepared for the group for at least twelve months from the date of approval of these financial statements, including a reasonable downside case, the Directors consider that, with the support of Full House Holdings Limited, the company will have sufficient cash available to it to settle all of its creditors as they fall due for payment. Full House Holdings Limited has indicated that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company.

Fixed assets and depreciation

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Freehold buildings	-	2% p.a. straight line
AWP Machines	-	33.3% p.a. straight line
Fixtures, Fittings & Computers	-	10%/33.3% p.a. straight line

No depreciation is provided on freehold land.

Impairment of tangible fixed assets

Tangible fixed assets that are subject to depreciation or amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use.

Taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required.

Post retirement benefits

In prior years, the company made contributions to personal pension schemes on behalf of certain employees. The assets of these schemes are held separately from those of the group in independently administered funds. The amount charged to the profit and loss account represents the contributions payable to the scheme in respect of the accounting period.
