	Modifications proposed by Voluntary Arrangements Service (VAS) on behalf of H M Revenue & Customs in respect of: -	
	PRECISION PRINTING PLATES LIMITED	
	<i>If any of the modifications are not accepted then the VAS vote(s) must be taken as a rejection.</i>	
EFFECT		
1.	(Interpretation) Any modification to the entire proposal approved by creditors and accepted by the company shall wholly supersede any contradictory terms or implied provisions in the proposal. Any conflicting modification(s) proposed by creditors shall be fully resolved prior to approval of the proposal in order that the intention of the modification is given priority and effect.	
2.	(Variation) No variation shall be proposed following approval of the arrangement that would cause or have the effect of varying or removing modifications imposed by HMRC in support of the proposal without the express agreement of the HMRC Voluntary Arrangements Service.	
3.	(Variation) The company shall not, within 12 months of approval of the arrangement, propose a variation that will reduce the yield to creditors below that forecast unless the Supervisor can provide clear evidence that the resolution results from changed trading circumstances that could not have been foreseen when the proposal was made to creditors. The Supervisor's evidence together with supporting financial information and notice of a creditors' vote shall be circulated to creditors giving at least 14 days clear notice. No variation fee shall be drawn without creditors' approval.	
4.	For the avoidance of doubt paragraphs 1 to 15.6 inclusive of the proposal shall not be amended or removed and shall prevail as the terms of the approved arrangement.	
HMRC CLAIM(S)		
5.	(HMRC claim) The HMRC claim in the arrangement will include PAYE/NIC together with assessed tax, levy or duty (VAT) due to the day before the meeting to approve the arrangement and CTSA / assessed tax for the accounting period(s) ended on or before the date of approval of the arrangement.	
6.	(Time limit) No time limit for lodging claims shall apply to HMRC.	
7.	(Post approval returns and liabilities) All statutory returns and payments due to HMRC post approval of the arrangement shall be provided on or before their due date.

11.	(Tax-Overpayments) Set-off of refunds due from the Crown against debts due to the Crown will be in accordance with statute and established legal principles. Any repayment due to the company for periods for which claims arise under the arrangement, when so ever they may arise, shall firstly be offset against HMRC's claims in the arrangement. Any remaining surplus shall be similarly applied to the claims of other Crown departments and should any surplus remain it shall be repaid to the company.	

	Any repayments due to the company for periods that arise after the arrangement shall be applied to any post approval HMRC liability with any surplus being repaid to the company.
GENERAL	
12.	(Co debtors) The release of the company from its debts by the terms of CVA shall not operate as a release of any co-debtor for the same debts.
13.	(Increased claims) Where the total value of creditor's claims exceeds by 10% or more of the stated value of their affairs supplied by the company for the purposes of this proposal this will constitute a breach of the arrangement. In the event of such a breach the supervisor shall ascertain from creditors what they wish to do in the context of the arrangement overall.
14.	(Termination) The arrangement shall terminate upon: (a) The making of a winding up order against the company, the passing of a winding up resolution or the company going into administration. (b) (where there is express authority for the supervisor so doing) the supervisor issuing a certificate of termination.

The supervisor shall work with the company to remedy any breach of obligation. Rule 15.34 shall apply where any variation is proposed. If any breach of obligation is not remedied within 30 days of its occurrence this shall constitute default of the CVA that cannot be remedied and the supervisor shall petition for a winding up order.
