## Notes to the financial statements

### 1. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. The financial statements have been prepared under the historical cost convention, in compliance with the requirements of the Companies Act 1985 and in accordance with applicable International Financial Reporting Standards as adopted by the European Union. There are no accounting policies where the use of assumptions and estimates are determined to be significant to the financial statements.

An income statement, a statement of changes in equity and a cash flow statement are not presented in these financial statements as these would show nil amounts for the current and preceding financial years.
