Statement of directors' responsibilities

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently, with the exception of changes arising on the adoption of new accounting standards in the year;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going-concern basis, unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditors' report

Independent auditors' report to the members of RSA Accident Repairs Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet, the Statement of Total Recognised Gains and Losses and the related notes which have been prepared in accordance with the accounting policies set out in the statement of accounting policies.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the Company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the Company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of affairs of the Company at 31 December 2002 and of its result for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Director 26 September 2003

Notes on the accounts

1 Accounting policies

The report and financial accounts are prepared in accordance with the Companies Act 1985 and applicable United Kingdom accounting standards.

Basis of accounting

The accounts are prepared under the historical cost convention.

Change in accounting policy

The impact of the change in accounting policy arising from the adoption of FRS 19 "Deferred tax" is to increase the tax on profit on ordinary activities by £26,657 (2001: decrease £16,859). The impact on the Statement of Total Recognised Gains and Losses is to increase the profit and loss reserve by £429,967 being the effect of full provision for deferred tax at 31 December 2001, discounted at appropriate rates.

Turnover

Turnover is stated exclusive of value added tax and comprises of income derived from the provision of accident repair services.

Goodwill

Acquired goodwill is amortised over its estimated useful economic life.

Tangible fixed assets and depreciation

Tangible fixed assets are stated in the balance sheet at cost less accumulated depreciation. Depreciation is provided on the cost of all tangible fixed assets using the straight-line basis over their expected useful lives, as follows:

Freehold buildings	2%	per annum
Computer equipment	33%	per annum
Fixtures	10%	per annum
Plant and Equipment	20%	per annum

Stock

Stock is valued at the lower of cost or net realisable value.

Pensions

The Company contributes to a group pension scheme operated by Royal & Sun Alliance Insurance Group plc. Contributions and pensions costs are based on pension costs across the Royal & Sun Alliance Insurance Group plc as a whole. Pension costs are accounted for on the basis of charging the expected cost of providing pensions over the period during which the Company benefits from the employees' services. The effects of variations from regular costs are spread over the expected remaining working lifetime of members of the scheme after making suitable allowances for future withdrawals.

Notes on the accounts

1 Accounting policies (continued)

Taxation

UK taxation in the profit and loss account is based on profits/(losses) and income of the year as determined in accordance with the relevant tax legislation, together with adjustments of provisions for prior years.

Deferred taxation is provided in full and consists of the estimated taxation or relief from taxation which is expected to arise from material timing differences using rates based on tax rates and laws that have been substantively enacted by the balance sheet date.

Credit is taken for relief for trading and other losses only to the extent that the directors anticipate that suitable profits will absorb such losses in future periods.

Deferred tax balances that derive from undiscounted cash flows and for which the impact of discounting is material have been discounted using appropriate rates.

Operating Lease

Operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

2 Turnover

The total turnover of the Company for the year has been derived from its principal activity wholly undertaken in the United Kingdom.

3	Operating loss	2002	2001
	_	000£	£000
	Operating loss is stated after charging:		
	Goodwill amortisation	2,390	733
	Depreciation of tangible fixed assets	161	252
	Auditors' remuneration for audit services	13	11
	Operating lease charges	372	307

4 Directors' emoluments

The directors did not receive any emoluments during the year (2001: £nil). They were employed by a fellow group undertaking and were remunerated by that undertaking for their services to the Group as a whole. It is not possible to apportion their remuneration in respect of the Company.

Notes on the accounts

5 Employees

Number of employees The average monthly number of employees employed by the Company during the year was:	2002 Number	2001 Number
Total	210	221
Employment costs	£000	£000
Wages and salaries Social security costs Other pension costs	4,463 404 67 4,934	4,033 413 73 4,519

6. Pension costs

The Company participates in group pension schemes operated by Royal & Sun Alliance Insurance Group plc. The pension schemes are mainly of the defined benefit type and their assets are held in separate trustee administered funds. The funds are valued every three years by a professionally qualified independent actuary, the rates of contribution payable being determined by the actuary. In the intervening years the actuary reviews the continuing appropriateness of the rates. The latest actuarial assessment of the scheme was at 30 June 2002. Particulars of the valuation are contained in the accounts of Royal & Sun Alliance Insurance Group plc.

The total pension cost for the Company in 2002 was £66,735 (2001: £73,068).
