REPORT OF THE DIRECTOR

The Director submits his annual report, together with the financial statements of the Company for the year ended 30th September 2005.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to :

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Company's going concern basis depends on the financial support of the Director and Secretary of the Company.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Throughout the year the Company was mainly engaged in skip container service.

The results of the year are shown on pages 2 to 4 of the accounts.

Mr. E.G. White was a sole director throughout the financial year and held 2000 shares.

A resolution proposing re-appointment of Messrs. R.E. Gordon & Co., as Accountants to the Company will be put to the Annual General Meeting.

The directors have taken advantage in the preparation of their report of the exemptions applicable to small companies.
