### NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2012

#### 1. ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

#### Turnover

Turnover comprises rent receivable for the year.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles - 25% on reducing balance Computer equipment - 25% on reducing balance

#### Deferred tax

No provision has been made for deferred taxation as no timing differences are expected between the recognition of gains and losses in the financial statements and their recognition for corporation tax purposes.

#### Freehold investment properties

No depreciation or amortisation is provided in respect of the freehold investment properties. The requirement of the Companies Act 2006 is to depreciate all properties, but that requirement conflicts with the generally accepted accounting principle set out in the FRSSE. The directors believe that as the properties are in general not held for consumption but investment, to depreciate them would not give a true and fair view, and that it is necessary to adopt the FRSSE in order to give a true and fair view.
