#### Directors' Report for the Year Ended 30 September 2017

#### Review of Business Results during the year

The society has continued to carry out its objectives of providing homes for active elderly people, who wish to share companionship in a homely environment.

The financial results for the year are set out in the income and expenditure account on page 6. The position at the end of the year is shown in the balance sheet on page 7.

The start of the year 2016 to 2017 we had vacancies because residents had moved on for various reasons. Our policy is to keep advertising and, hopefully this will bring in more residents to the houses.

There have been periods when resident have moved on, however the interviewing panel have managed to find someone in a short space of time. We have done very well with people coming in for short stays. We are, however, finding that the average resident is coming in at an ever increasing age.

Our reserve policy remains, as in previous years, i.e. generally to hold sufficient reserves to support unexpected maintenance costs and to provide cover in the event of vacancies causing income to run below expenditure.

#### **Future Plans**

The Executive committee has had a very busy year keeping everything up to date.

We will continue to investigate other ways of improving the facilities in both 24 and 26 East Street.

We have this year carried out a number of improvement works:--

- 1 Replaced washing machines and tumble driers in both houses.
- 2 Carried out improvements to the garden and patio.
- 3 The boiler in Number 24 has been replaced this year with a condensating boiler in the wing.
- 4 The residents rooms will, as normal, be decorated as they become vacant and new carpets fitted as necessary.
- 5 General maintenance will continue to be carried out as usual.
- 6 The parking areas to 24 and 26 have been improved and we continue to monitor this for more spaces for residents and visitors.
- 7 We will be replacing windows to the lounge of 26.
- 8 Prices are being obtained for replacing the lift in 24.

The Executive committee have regular strategy meetings to consider what other facilities and improvements can be made for the residents of Abbeyfield Fareham society.

I report on the financial statements for the Society for the year ended 30th September 2017 which are set out on pages 6 to 13 and which have been prepared under the historical cost convention and the accounting policies set out on pages 10 and 11.

Respective responsibilities of the trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this period under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Charities Act,
- to follow the procedures laid down by the general Directions given by the Charity Commissioners (under section 145(5)(b) of the Charities Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking an explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

\* 18 Jahr 1 20

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respects the requirements:
- i. to keep accounting records in accordance with section 130 of the Charities Act; and
- ii. to prepare financial statements which accord with the accounting records and to comply with the accounting requirements of the Charities Act have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to bee reached.

#### 9 Financial commitments, guarantees and contingencies

#### Amounts not provided for in the balance sheet

The total amount of contingencies not included in the balance sheet is £14,304 (2016 - £Nil).

The company has over several years engaged staff to care for residents on the basis of the carer sleeping on the company's premises overnight. The terms of the sleep in arrangements generally for care homes have now been shown by the courts to be in breach of the wage regulations for National Minimum Wage payments.

In accordance with decided cases the company has a liability for the last two years amounting to £11,033 and this is provided for in these accounts.

However, there are further issues before the courts in the cases of Focus Care Agency v Roberts, Fruidd v the Partington Group, and Royal Mencap Society v Tomlinson-Blake. Should the decisions go against the employer this would involve the company in liability under Minimum Wage Payments for a further four years amounting to £14,304. No provision has been made for this amount.
