## **Strategic Report**

**Year ended 29th February 2020**

### **Principal activity**

The principal activity of the company during the year was the manufacture and stockholding of bright bar and steel stockholding.

### **Business review**

The directors report that the company has maintained its position within the market place. Turnover decreased by 15.7% although gross margin remained comparable to last year. During the last quarter of the financial year, the company began to feel the impact of COVID as business confidence began to erode. The company has made significant progress in achieving increased efficiencies in response to the COVID crisis and is well placed to compete in a market that remains a very competitive market. The directors consider the company's position at the year end to be satisfactory.

### **Principal risks and uncertainties**

The key risk and uncertainty for the company is the continuing impact of COVID and the as yet unknown implications of Brexit.

### **Future Developments**

The company is continuing to try and extend its range of products and related services to help achieve an increase in its customer base.

This report was approved by the board of directors on 11th January 2021 and signed on behalf of the board by:

## **Directors' Report**

### **Year ended 29th February 2020**

The directors present their report and the financial statements of the company for the year ended 29th February 2020.

#### **Directors**

The directors who served the company during the year were as follows:

Mr R G R Cook  
Mr J G R Cook

#### **Dividends**

Particulars of recommended dividends are detailed in note 11 to the financial statements.

#### **Other matters**

##### **Financial instruments**

Details of the company's financial risk management objectives and policies are included in note 23 to the accounts.

##### **Disclosure of information in the strategic report**

In accordance with section 414C(11) of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 information required by schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 is set out in the Company's Strategic Report.

##### **Directors' responsibilities statement**

The directors are responsible for preparing the strategic report, directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Directors' Report** *(continued)*

**Year ended 29th February 2020**

### **Auditor**

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report was approved by the board of directors on 11th January 2021 and signed on behalf of the board by:

## **Independent Auditor's Report to the Members of C & S Steels (Wolverhampton) Limited**

**Year ended 29th February 2020**

### **Opinion**

We have audited the financial statements of C & S Steels (Wolverhampton) Limited (the 'company') for the year ended 29th February 2020 which comprise the statement of income and retained earnings, statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 29th February 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

# **C & S Steels (Wolverhampton) Limited**

## **Independent Auditor's Report to the Members of C & S Steels (Wolverhampton) Limited** *(continued)*

**Year ended 29th February 2020**

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the companies act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

# **C & S Steels (Wolverhampton) Limited**

## **Independent Auditor's Report to the Members of C & S Steels (Wolverhampton) Limited** *(continued)*

**Year ended 29th February 2020**

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### **Independent Auditor's Report to the Members of C & S Steels (Wolverhampton) Limited** *(continued)*

#### **Year ended 29th February 2020**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Notes to the Financial Statements**

**Year ended 29th February 2020**

### **1. General information**

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Highfields Road, Bilston, West Midlands, WV14 0LQ.

### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

### **3. Accounting policies**

#### **(a) Basis of preparation**

The financial statements have been prepared under the historical cost convention.

#### **(b) Operating lease agreements**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

#### **(c) Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### **Trade and other debtors**

Trade and other debtors are recognised and carried forward at invoices less provisions for any doubtful debts. Bad debts are written off when identified.

##### **Cash and cash equivalents**

Cash and cash equivalents are included in the balance sheet at cost. Cash and cash equivalents comprise cash at bank and in hand and short term deposits with a maturity of three months or less.

##### **Trade and other creditors**

Trade and other creditors are recognised and carried forward at the amount of the obligation to transfer economic benefits as a result of a past transaction or events.

# **C & S Steels (Wolverhampton) Limited**

## **Notes to the Financial Statements *(continued)***

### **Year ended 29th February 2020**

#### **(d) Judgements and key sources of estimation uncertainty**

In the preparation of the financial statements, management makes certain judgements and estimates that impact the financial statements. The judgements, estimates and assumptions that have the most significant effect on the carrying value of assets and liabilities of the company as at 29 February 2020 are discussed below:-

##### **Carrying value of stocks**

Allowance for slow moving and loss making stock is based on estimates determined by market knowledge and past experience.

##### **Taxation**

Deferred tax liabilities are generally provided for in full and deferred tax assets are recognised to the extent that it is judged probable that future taxable profit will arise against which the temporary differences will be utilised.

##### **Carrying value of trade and other receivables**

Allowance for doubtful debt and provisions against other receivables, are made on a specific basis, based on estimates or irrecoverability determined by market knowledge and past experience.

#### **(e) Revenue recognition**

The turnover shown in the profit and loss account represents the sale of goods during the year, exclusive of Value Added Tax.

#### **(f) Income tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### **(g) Foreign currencies**

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the profit and loss account. Non-monetary items that are measured at historical cost in a foreign currency are not retranslated.

#### **(h) Tangible assets**

Tangible assets are initially recorded at cost, and subsequently stated at cost or deemed cost less any accumulated depreciation and impairment losses. Some classes of assets have been measured at fair value as deemed cost on transition to FRS 102 as at 1 March 2014 in accordance with the transition procedures of FRS 102.

# **C & S Steels (Wolverhampton) Limited**

## **Notes to the Financial Statements *(continued)***

**Year ended 29th February 2020**

### **3. Accounting policies *(continued)***

#### **(i) Depreciation**

Depreciation is calculated so as to write off the cost or deemed cost of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold Property	-	Between 4 and 10 years
Plant & Machinery	-	Between 4 and 10 years
Fixtures & Fittings	-	Between 4 and 20 years
Motor Vehicles	-	Between 4 and 10 years

#### **(j) Impairment of fixed assets**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

#### **(k) Stocks**

Stocks are stated at the lower of cost or net realisable value, after making due allowance for obsolete and slow moving items. Cost represents materials, direct labour and appropriate production overheads. Stock is measured on a first in first out basis.

#### **(l) Provisions**

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event, it is probable that the entity will be required to transfer economic benefits in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the statement of financial position and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised as a finance cost in profit or loss in the period it arises.

#### **(m) Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

### **23. Financial risk management objectives and policies**

The company holds or issues financial instruments in order to achieve three main objectives, being:

(a) to finance its operations;

(b) to manage its exposure to interest and currency risks arising from its operations and from its sources of finance; and

(c) for trading purposes.

In addition, various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the company's operations.

Transactions in financial instruments result in the company assuming or transferring to another party one or more of the financial risks described below.

#### ***Credit risk***

The company monitors credit risk closely and considers that its current policies of credit checks meets its objectives of managing exposure to credit risk.

The company has no significant concentrations of credit risk. Amounts shown in the balance sheet best represent the maximum credit risk exposure in the event other parties fail to perform their obligations under financial instruments.

#### ***Liquidity risk***

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, invoice discounting and directors loans.

#### ***Currency risk***

The company's objective is to hedge against its exposure to exchange rate risk through the use of foreign currency bank accounts for transactions in foreign currencies and using foreign currency forward contracts.

#### ***Price risk***

The company's objective is to maintain competitiveness in pricing by closely monitoring the market price of steel.
