- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Agent under Clause 3.1 (*Fixed Charges*) and if required by the Security Agent at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a valid legal mortgage in such form as the Security Agent shall reasonably require in order to reflect the terms contained in this deed.

- (b) Save for any Insurance in respect of which third party or insurer consent was sought but not obtained in accordance with clause 3.7 of the First Debenture, for each Excluded Insurance, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fifteen Business Days of the date of this deed and, in respect of each such Excluded Insurance which provides that the relevant third party will not unreasonably withhold its consent to assigning, to use reasonable endeavours to obtain that consent as soon as reasonably practicable and to keep the Security Agent regularly informed of the progress of its negotiations provided that if such consent has not been obtained by the date being six months from the date of this deed, the relevant Charging Company shall be deemed discharged from its undertakings contained in this Clause 3.7(b).

- (b) For each Excluded Intellectual Property, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this deed and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use reasonable endeavours to obtain such consent as soon as practicable and to keep the Security Agent informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property shall stand charged to the Security Agent under Clause 3.1 (*Fixed Charges*). 13.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Indebtedness remains outstanding or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

All the protection to purchasers contained in Sections 104 and 107 of the Law of Property Act 1925, Section 42(3) of the Insolvency Act 1986 or in any other applicable legislation shall apply to any person purchasing from or dealing with the Security Agent, any other Finance Party, any Receiver or any delegate.

13.2 Receipt Conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

14. PROTECTION OF SECURITY AGENT AND RECEIVER

14.1 No Liability

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence, wilful default or breach of any obligations under the Finance Documents.

14.2 Possession of Charged Property

Without prejudice to Clause 14.1 (*No Liability*), if the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

14.3 Liability of Charging Companies

Each Charging Company shall be deemed to be a principal debtor and the sole, original and independent obligor for the Indebtedness and the Charged Property shall be deemed to be a principal security for the Indebtedness. The liability of each Charging Company under this deed and the charges contained in this deed shall not be impaired by any forbearance, neglect, indulgence, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Charging Company (as a surety only) or the charges contained in this deed (as secondary or collateral charges only) would, but for this provision, have been discharged. Clause 21 (*Guarantee and Indemnity*) of the Revolving Credit Agreement, Article 10 (*Guarantee*) of the 2018 Fixed Rate Note Indenture, Article 10 (*Guarantee*) of the 2018 Floating Rate Note Indenture and any equivalent provision under the terms of any other Secured Note Document evidencing Secured Notes, will apply in relation to this deed as if incorporated in this deed, but on the basis that the obligations of each Guarantor arising under those clauses will be deemed to be substituted by the obligations of each Charging Company under this deed.

14.4 **Security Agent**

The provisions set out in clause 16 (*The Security Agent*) of the Intercreditor Agreement shall govern the rights, duties and obligations of the Security Agent under this deed.

15. **COSTS AND EXPENSES**

15.1 **Initial Expenses**

The Company shall on demand pay to each of the Security Agent and any Receiver the amount of all costs and expenses (including legal fees) reasonably incurred by any of them in connection with:

- (a) the negotiation, preparation, printing, execution, completion and perfection of this deed and any other documents referred to in, or incidental to, this deed; and
- (b) any amendment, waiver or consent relating to this deed (and documents, matters or things referred to in this deed).

15.2 **Enforcement Expenses**

The Company shall, within ten Business Days of demand, pay to each of the Security Agent, any Receiver and each other Secured Party the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of or the preservation of any rights under (and any documents referred to in) this deed and any proceedings instituted by or against the Security Agent and any Secured Party as a consequence of taking or holding the Transaction Security or enforcing these rights.

15.3 **Stamp Duties, etc**

The Company shall pay and, within ten Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to all stamp duty, registration and other similar Taxes payable in respect of this deed.

15.4 **Default Interest**

If not paid when due, the amounts payable under this Clause 15 shall carry interest compounded with monthly rests at the Default Rate (after as well as before judgment), from the date of demand and shall form part of the Indebtedness.

16. **CUMULATIVE POWERS AND AVOIDANCE OF PAYMENTS**

16.1 **Cumulative Powers**

The powers which this deed confers on the Security Agent, the other Secured Parties and any Receiver appointed under this deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

16.2 **Amounts Avoided**

If any amount paid by a Charging Company in respect of the Indebtedness is capable of being avoided or set aside on the liquidation or administration of the relevant Charging Company or otherwise, then for the purposes of this deed that amount shall not be considered to have been paid. No interest shall accrue on any such amount, unless and until such amount is so avoided or set aside.

16.3 Discharge Conditional

Any settlement or discharge between a Charging Company and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Charging Company or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this deed) that Secured Party shall be entitled to recover from that Charging Company the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

17. RULING OFF ACCOUNTS

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Revolving Credit Agreement and the Secured Note Documents or with the prior written consent of the Security Agent) it may open a new account for the relevant Charging Company in its books. If it does not do so then (unless it gives express notice to the contrary to the Parent), as from the time it receives that notice, all payments made by the relevant Charging Company to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Charging Company and not as having been applied in reduction of the Indebtedness.

18. DELEGATION

The Security Agent may delegate by power of attorney or in any other manner all or any of the rights, powers, authorities and discretions which are for the time being exercisable by it under this deed, any Finance Document, the Law of Property Act 1925 or the Insolvency Act 1986 to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit. The Security Agent will not be liable or responsible to any Charging Company or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

19. REDEMPTION OF PRIOR CHARGES

The Security Agent may, at any time after an Event of Default which is continuing has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Charging Company. Each Charging Company will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

20. SET-OFF

20.1 Set-off Rights

Any Secured Party may set off any matured obligation due from a Debtor under the Finance Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to that Debtor, regardless of the place of payment, booking branch or currency of either obligation provided it is in accordance with the terms of the Intercreditor Agreement. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

20.2 Different Currencies

A Secured Party may exercise its rights under Clause 20.1 (*Set-Off Rights*) notwithstanding that the amounts concerned may be expressed in different currencies and each Secured Party is authorised to effect any necessary conversions at a market rate of exchange selected by it.

20.3 **Unliquidated Claims**

If the relevant obligation or liability is unliquidated or unascertained, the Secured Party may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained provided it is in accordance with the terms of the Intercreditor Agreement.

21. **NOTICES**

21.1 **Communications in Writing**

Any communication made under or in connection with this deed shall be made in writing and, unless otherwise stated, may be made by fax or letter.

21.2 **Addresses**

The address and fax number of each party to this deed for any communication or document to be made or delivered under or in connection with this deed is:

- (a) as shown immediately after its name on the execution pages of this deed (in the case of any person who is a party as at the date of this deed);
- (b) in the case of any person who becomes a party after the date of this deed, notified in writing to the Security Agent on or prior to the date on which it becomes a party,

or any substitute address or fax number as the party may notify to the Security Agent (or the Security Agent may notify to the parties, if a change is made by the Security Agent) by not less than five Business Days' notice.

21.3 **Delivery**

- (a) Any communication or document made or delivered by one person to another under or in connection with this deed will only be effective:
 - (i) if by way of fax, when received in legible form;
 - (ii) if by way of an electronic method of communication, once the conditions in clause 35.6 (*Electronic Communication*) of the Revolving Credit Agreement have been satisfied; or
 - (iii) if by way of letter, when it has been left at the relevant address or five Business Days after being deposited in the post postage prepaid in an envelope addressed to it at that address,

and, if a particular department or officer is specified as part of its address details provided under Clause 21.2 (*Addresses*), if addressed to that department or officer.

- (b) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly marked for the attention of the department or officer identified with the Security Agent's signature below (or any substitute department or officer as the Security Agent shall specify for this purpose).

22. CHANGES TO PARTIES

22.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

22.2 Changes to Parties

Each Charging Company authorises and agrees to changes to parties under clause 27 (*Changes to the Lenders*) and clause 29 (*Changes to the Obligors*) of the Revolving Credit Agreement, Article 13.11 (*Successors*) of the 2018 Fixed Rate Note Indenture, Article 13.11 (*Successors*) of the 2018 Floating Rate Note Indenture, any equivalent provision under the terms of any other Secured Note Document evidencing Secured Notes and clause 18 (*Changes to Parties*) of the Intercreditor Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

22.3 New Subsidiaries

The Parent will procure that any new Subsidiary of it which is required to do so by the terms of the Revolving Credit Agreement or the Secured Note Documents executes a Security Accession Deed (subject to such amendments as may be required to accord with the Agreed Security Principles).

22.4 Consent of Charging Companies

Each Charging Company consents to new Subsidiaries becoming Charging Companies as contemplated by Clause 22.3 (*New Subsidiaries*) and irrevocably appoints the Parent as its agent for the purpose of executing any Security Accession Deed on its behalf.

23. CURRENCY CLAUSES

23.1 Conversion

All monies received or held by the Security Agent or any Receiver under this deed may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Indebtedness in that other currency at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

23.2 No Discharge

No payment to the Security Agent (whether under any judgement or court order or otherwise) shall discharge the obligation or liability of the relevant Debtor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Charging Company and shall be entitled to enforce the security constituted by this deed to recover the amount of the shortfall.

24. MISCELLANEOUS

24.1 Small Company Moratorium

Notwithstanding any other provision of this deed, the obtaining of a moratorium under section 1A of the Insolvency Act 1986, or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation), shall not be an event causing any floating charge created by this

deed to crystallise or causing restrictions which would not otherwise apply to be imposed on the disposal of property by any Charging Company or a ground for the appointment of a Receiver.

24.2 Certificates Conclusive

A certificate or determination of the Security Agent as to any amount payable under this deed will be conclusive and binding on each Charging Company, except in the case of manifest error.

24.3 Invalidity of any Provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

24.4 Counterparts

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed.

24.5 Failure to Execute

Failure by one or more parties ("**Non-Signatories**") to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

24.6 Third Party Rights

The Contracts (Rights of Third Parties) Act 1999 shall not apply to this deed and no rights or benefits expressly or impliedly conferred by this deed shall be enforceable under that Act against the parties to this deed by any other person.

24.7 Covenant to Release

Once all the Indebtedness has been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Charging Company, the Security Agent and each Secured Party shall, at the request and cost of each Charging Company, take any action which may be necessary to release the Charged Property from the security constituted by this deed.

24.8 Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under the Finance Documents shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this deed are cumulative and not exclusive of any rights or remedies provided by law.

25. GOVERNING LAW AND JURISDICTION

- (a) This deed (and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this deed or its formation) including any non-contractual obligation shall be governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination

of this deed or any non-contractual obligation arising out of or in connection with this deed) (a "**Dispute**").

- (c) For the benefit of the Secured Parties only, the parties to this deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

IN WITNESS whereof this deed has been duly executed and delivered on the above date first above written.

NOW THIS DEED WITNESSES as follows:

1. INTERPRETATION

1.1 Definitions

Terms defined in the Debenture have the same meaning when used in this deed.

1.2 Construction

Clause 1.2 (*Construction*) and Clause 1.3 (*Other References*) of the Debenture will be deemed to be set out in full in this deed, but as if references in those clauses to the Debenture were references to this deed.

2. ACCESSION OF NEW CHARGING COMPANY

2.1 Accession

The New Charging Company agrees to be a Charging Company for the purposes of the Debenture with immediate effect and agrees to be bound by all of the terms of the Debenture as if it had originally been a party to it as a Charging Company.

2.2 Covenant to pay

The New Charging Company as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will pay and discharge on demand the Indebtedness when it falls due for payment.

2.3 Fixed Charges

Subject to Clause 2.3(c) below, the New Charging Company, as continuing security for the payment of the Indebtedness, charges in favour of the Security Agent with full title guarantee the following assets, both present and future, from time to time owned by it or in which it has an interest:

- (a) by way of first legal mortgage, the Premises (including the property specified in Schedule 1) together with all buildings and fixtures (including trade fixtures) on that property; and
- (b) by way of first fixed charge:
 - (i) all other interests (not charged under Clause 2.3(a)) in any freehold property or Leasehold Property, the buildings and fixtures (including trade fixtures) on that property, all proceeds of sale derived therefrom and the benefit of all warranties and covenants given in respect thereof and all licences to enter upon or use land and the benefit of all other agreements relating to land;

 - (v) all debts and monetary claims (other than Book Debts) and all rights against third parties in respect of such debts and monetary claims;
 - (vi) subject to Clause 3.9 (*Trust Account*) of the Debenture, all monies standing to the credit of any and all its accounts (including the Collection Accounts specified in Schedule 3, the Cash Collateral Accounts and the Nominated Accounts) with any bank, financial institution, or other person and all rights related to those accounts;
 - (vii) all its Intellectual Property (including the Intellectual Property specified in Schedule 4);
 - (viii) all rights, title and interest in and to the Hedging Agreements;
 - (ix) the benefit of all consents and agreements held by it in connection with the use of any of its assets;
 - (x) its goodwill and uncalled capital; and

Agent (for the benefit of itself and the other Secured Parties) by way of first floating charge all its assets, both present and future, not effectively charged by way of first fixed charge under Clause 2.3 (*Fixed Charges*) or assigned under Clause 2.5 (*Security Assignment*).

- (b) The parties acknowledge that the ranking of the security created pursuant to Clause 2.4(a) (*Floating Charge*) is subject to the Existing Debentures, the Intercreditor Agreement and the RSA Intercreditor Agreement and that the application of proceeds pursuant to this deed and the Existing Debentures is provided for in the Intercreditor Agreement and the RSA Intercreditor Agreement.

2.5 Security Assignment

On and with effect from the date on which the Assigned Agreements are re-assigned to the new Charging Company under the Existing Debentures and as further continuing security for the payment of the Indebtedness, the New Charging Company assigns absolutely with full title guarantee to the Security Agent (for the benefit of itself and the other Secured Parties) all its rights, title and interest in and to the Assigned Agreements [*identified in Schedule 5*], provided that on payment or discharge in full of the Indebtedness the Security Agent will at the request and cost of the New Charging Company re-assign the relevant rights, title and interest in the Assigned Agreements to the New Charging Company (or as it shall direct).
