Objectives and activities

The object for which the trust is established is the promotion, support and advancement of charitable purposes of all kinds and in particular of education and research in all or any of the natural sciences.

Public benefit

The Trustees are aware of the Charity Commission guidance on public benefit and confirm that in planning and carrying out the activities of the charity they have had regard to this guidance.

In considering each application for donations the Trustees assess whether the aims of the organisation or individual to be supported provide a true public benefit. By assessing each application within the Trustees established categories for donations it is considered that it can be established in a straightforward manner whether the public benefit criteria are met. Applications which do not meet the criteria in the judgement of the Secretary are not put forward for consideration.

Achievements and performance

The Trust has continued to support charitable causes in Norfolk with a focus on those in and around Norwich, Cromer and Wymondham. The arrangement whereby Norfolk Community Foundation reviews all applications to check whether there are any applicants with which they have had problems has continued. The Secretary attends meetings of the Norwich and District Funders' Forum, which is a valuable network for discussing major charitable applications and issues in the area.

Financial review

Income totalled £82,817 (2018: £107,785) and after making grants totalling £81,331 (2018: £112,732) and incurring other costs of £13 (2018: £13), the net income for the year amounted to £1,473 (2018: net expenditure £4,960), as shown on page 9. Total funds carried forward amounted to £2,470,275. The Trustees consider the year end financial position to be satisfactory.

Investment policy

All investments, which are held in accordance with the powers available to the Trustees, are held in the ordinary or preference shares of Jarrold & Sons Ltd.

Reserves policy

The charity is totally reliant on investment income to fund its charitable activities. It is the policy of the charity that, excluding funds invested, funds should be maintained at a level that enables it to meet future commitments until further dividend income is received. Free reserves at the year end amounted to £12,764 after providing for all grants committed by the year end.

Plans for future periods

The company's future activities will continue to be on a similar basis supporting a spread of activities across the different sectors, with special emphasis on support to Norwich and Norfolk charities and voluntary groups, particularly those in the vicinity of Norwich, Cromer and Wymondham.

Trustees

The Trustees, who are directors for the purpose of company law and Trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1.

Structure, governance and management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 15 March 1965 and registered as a charity on 10 May 1965. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and it is governed under its Articles of Association. The Memorandum and Articles were amended by special resolution on 20 June 2014. In the event of the company being wound up members are required to contribute an amount not exceeding £5.

Recruitment and appointment of Trustees

The Trustees are also directors of the company for the purposes of company law and under the company's Articles are known as members of the Council. Under the requirements of the Memorandum and Articles of Association one third of the Trustees are required to retire from office each year and are eligible for re-election at the next Annual General Meeting.

C J Jarrold and Ms S N Jarrold retire by rotation and, being eligible, offer themselves for re-election.

In looking for new Trustees of the Board the Trustees will bear in mind the experience and qualification of possible candidates. The successful candidates are elected by a meeting of the existing Trustees.

Trustee induction and training

New Trustees will be provided with copies of:

- The Memorandum and Articles of Association
 - The latest accounts of the charity
- and are encouraged to read Charity Commission guidance notes CC3 - "The essential trustee: what you need to know, what you need to do" and the Charity Governance Code.

In addition Trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities.

Risk management

The Trustees consider that there are no major strategic or business risks which would affect the ongoing operation of the charity. Future commitments are reviewed regularly to ensure that funds are not over-committed.

Organisational structure

The company is governed by the Trustees, who meet twice a year to consider the applications received for funding and to authorise payment of the grants approved. Grants up to £250 can be approved by the Chairman and Secretary between meetings and these are then ratified at the next Trustees' meeting.

Related parties

The company receives investment income and donations from Jarrold & Sons Limited, a company in which the Trustees have a beneficial interest.

Grant applications made by organisations in which a trustee may have a related party interest are considered by non-conflicted Trustees (see note 17).

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP 2015 (FRS102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Independent auditor's report to the members of John Jarrold Trust Limited

Year ended 5 April 2019

Opinion

We have audited the financial statements of John Jarrold Trust Limited (the 'charity') for the year ended 5 April 2019 which comprise the statement of financial activities (including income and expenditure account), balance sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

There are no uncertainties about the charity's ability to continue as a going concern.

Judgements and key sources of estimation uncertainty

Designated funds are unrestricted funds earmarked by the trustees for particular future projects or commitments.

Restricted funds are subjected to restrictions on their expenditure declared by the donor.

3. Accounting policies *(continued)*

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Charitable activities comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments made to third parties in the furtherance of the charitable activities of the Trust. The grants are accounted for where either the trustees have agreed to pay the grant without condition and the recipient has a reasonable expectation that they will receive a grant, or any condition attached to the grant is outside the control of the Trust.

All costs are allocated to expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource.

Investments

The value of investments held as fixed assets is reviewed annually by the trustees.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.
