STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2018

The directors present their strategic report for the year ended 31 March 2018.

REVIEW OF BUSINESS

We aim to present a balanced and comprehensive view of the development and performance of our business during the year and its position at the year end. Our review is consistent with the size and non-complex nature of our business and is written in the context of the risks and uncertainties we face.

We consider that our key financial performance indicators are those that communicate the financial performance and strength of the company as a whole, these being turnover, gross margin, return on capital employed and liquidity.

It is of note that the company has seen a variety of changes in performance during the year, due to a rationalisation process which has been carried out following the prior year acquisition of a major property asset. A considerable level of concentration was applied during the year to upgrade this asset which will lead in the future to a considerable increase in income streams and profits.

As a result of the above, and a proportionate shift in the asset base from being largely plant and machinery, to now being property based, the turnover fell during the year due to the concentrating on this asset, whilst the gross profit margin increased not only in value terms, but also by 4.8% in margin terms. In the six months following the year end, the turnover levels have risen back to the levels of the year before, and it is anticipated that future levels of turnover will increase further, once the asset refered to has been fully integrated into the company's business.

Despite the reduction in turnover, the retained profits for the year remain the same as the year before, with a marginal decrease in return on capital employed. It is believed that this decrease will be reversed in the years ahead due to the asset acquisition referred to.

Whilst rationalizing the activities of the company during the year, plant and machinery assets deemed to be no longer required were disposed of. This enabled the company to substantially improve its liquidity position, with net current assets increasing by over £765,000. This position should improve further down the years to come, as debts failing due after more than one year were also reduced by over £475,000 during the period.

We believe that the company is now able to operate off a very solid platform for the future, and face the rigours of an uncertain market place, which has been created, both in the year past and the pending future, as a result of the overall economic uncertainties that have been created by the geo-political position.

Particularly bearing in mind the uncertainties referred to, any future developments or investments will be reviewed with caution, in order not to disrupt the platform from which the company is now operating from.

ON BEHALF OF THE BOARD:

J Killoughery - Director

14 December 2018

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2018

The directors present their report with the financial statements of the company for the year ended 31 March 2018.

PRINCIPAL ACTIVITY

The principal activities of the company continued to be that of building and civil engineering contractors, plant hire, haulage and waste management.

DIVIDENDS

No dividends will be distributed for the year ended 31 March 2018.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 April 2017 to the date of this report.

Mrs M Killoughery
J Killoughery

PRINCIPAL RISKS AND UNCERTAINTIES FACING THE COMPANY

The performance of the business is linked to the overall state of the economy but in particular to the activities within the sectors of the market in which we operate. As well as economic risks the waste industry has additional environmental legislative and compliance risks. We try to minimise these risks by employing highly skilled management, by training and by engaging specialist consultants so that we keep up with statutory regulations and comply with the conditions of our operating licences and permits at all times. Landfill charges and fuel prices are monitored on a weekly basis, thus ensuring that operating increases therein are recognised at an early state.

The banking crisis and lack of funding for businesses continues to have an adverse impact on business confidence and activity levels.

FINANCIAL INSTRUMENTS, CREDIT AND LIQUIDITY RISKS

The company's principal financial instruments comprise bank facilities, asset finance, loans to and from group and related undertakings, trade debtors and trade creditors. The main purpose of these instruments is to raise funds and to finance company operations.

Due to the nature of the financial instruments used by the company there is no exposure to price risk. The company's approach to managing other risks applicable to the financial instruments concerned is shown below.

In respect of bank balances the liquidity risk is managed by maintaining a balance between the continuity of funding. The company makes use of bank facilities where funds are available.

The company's risk is primarily attributable to amounts recoverable from trade debtors and monies due from related undertakings. Trade debtors are managed by regular monitoring of outstanding balances and credit ratings. Debts due from related undertakings are closely monitored by management ensuring that adequate security is maintained for monies outstanding.

Trade creditors liquidity is managed by ensuring sufficient funds are available to meet amounts due.

POLITICAL DONATIONS AND EXPENDITURE

Donations paid during the year amounted to £3,000, none of which related to political organisations.

REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 MARCH 2018

EMPLOYMENT OF DISABLED PERSONS

The company continues its policy regarding the employment of disabled persons and fair consideration is given to applications for employment by disabled persons having regard to their particular aptitudes and abilities.

HEALTH AND SAFETY AT WORK

Our yard managers are responsible for the health, safety and welfare of employees. We also continue to support the health and safety policies of our customers and the industry generally.

EMPLOYEE INVOLVEMENT

Our workforce are our most important and valuable asset. They operate at the heart of our operations and the forefront of our activities and developments on a day to day basis. In addition regular meetings are held to discuss activity and performance and opportunity is given for management to be questioned on all areas that affect our employees. We encourage an open door policy of involvement and close cooperation.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

ON BEHALF OF THE BOARD:

J Killoughery - Director

14 December 2018

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF GEORGE KILLOUGHERY LIMITED

Opinion

We have audited the financial statements of George Killoughery Limited (the 'company') for the year ended 31 March 2018 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF GEORGE KILLOUGHERY LIMITED

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Mr Crack ell FCA (Senior Statutory Auditor)

for and on behalf of ESW Limited

rear ended 31 March 2016	31.3.18	1.4.17
Cash and cash equivalents	497,111	605,048
Year ended 31 March 2017	212.17	1.4.16

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. STATUTORY INFORMATION

George Killoughery Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents the total invoice value, excluding value added tax, from contract income, plant hire, haulage and waste management during the year.

Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Plant and machinery - 12.5% reducing balance
Fixtures, fittings and equipment - 25% reducing balance
Motor vehicles - 25% reducing balance

Stocks

Stocks of raw materials, consumables, recycled aggregates and land for development are valued at the lower of cost and net realisable value.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Page 13 continued...

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2018

2. ACCOUNTING POLICIES - continued

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated over future periods. The finance element of the rental payments is charged over the profit and loss account so as to produce a constant periodic rate of charge on the net obligations outstanding in each period.

Pensions

4.

The pension costs charged in the financial statements represent the contributions paid by the company during the period.

3. EMPLOYEES AND DIRECTORS

EMI LOTEES AND DIRECTORS	2018 £	2017 £
Wages and salaries Social security costs Other pension costs	1,213,890 64,042 5,891	1,164,127 70,222 6,322

108,525	136,806
	101
108,525	136,907
	£ 108,525

6. TAXATION

Analysis of the tax charge

The tax charge on the profit for the year was as follows:

·	2018 £	2017 £
Current tax: UK corporation tax	136,562	130,186
Deferred tax	(12,037)	52,553
Tax on profit	124,525	182,739

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2018 £	2017 £
Profit before tax	476,446	757,956
Profit multiplied by the standard rate of corporation tax in the UK of 19% (2017 -		
20%)	90,525	151,591
Effects of:		
Expenses not deductible for tax purposes	2,676	2,782
Capital allowances in excess of depreciation	-	(2,994)
Depreciation in excess of capital allowances	24,170	_
Utilisation of tax losses	(3,492)	(27,991)
Loss on disposal of fixed assets	32,230	21,963
Net finance lease payments	(9,547)	(15,165)
Deferred tax	(12,037)	52,553
Total tax charge	124,525	182,739

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2018
