Over the year, the trustees set out their plans to increase and maximise the value of the charity's work and assets for this purpose, identifying a number of streams of work intended to achieve that increase. The public benefits delivered by the charity's work and plans for current and future operations are as laid down in the following section, Achievement and Performance.

#### ACHIEVEMENT AND PERFORMANCE

### **Grant making Activities**

The Trust made payments totalling £120,602 (2022: £102,915) in the reporting year. This total was made up of:

1. £120,602 (2022: £102,915) to the Buddhist Society.

#### **Publishing Activities**

Publishing Advisor Jonathan Earl, Chairman Dr Desmond Biddulph

The Trust received royalties during the year of £5,793 (2022:£5,683) and made book sales of £1,677 (2022:£15,420). It spent a total of £18,792 (2022:£18,018) on publishing activities.

The last year has seen a gradual return to normality for the publishing, bookselling and distribution sector following more than two years of disruption caused by the pandemic and its associated effects. Now, of course, the 'new normal' in the publishing world is a hybrid working life of – broadly speaking – three days in the office and two working from home: a pattern adopted by the 'Big Five' UK publishers, and followed by the majority of smaller firms across the country.

The Buddhist Society's own freelance publishing unit has been operating almost entirely on a 'remote' basis ever since its inception several years before Covid; so our own work was somewhat less affected by the pandemic than that of many other publishing teams. There was, of course, huge disruption in a range of associated functions (production, shipping, distribution, retail), though now the industry has returned to a much more stable footing. Our focus, therefore, in the last twelve months has been to complete our work on the shortlist of key forthcoming titles.

The first of these, *Mumonkan*, is now fully published and circulating in the domestic and international book trade. This is the new edition of the Chinese Zen Master Mumon Ekai's classic *The Gateless Gate*, with commentaries by Soko Morinaga Roshi. The Buddhist Society's publishing team would

again like to thank the editors of this new edition, Michelle Bromley and Eifion Thomas, for all their advice, support and input. Our book trade distributors Global Book Sales and Ingram have taken 400 copies of the new work between them, and these are now being sold in our worldwide markets.

The next new title, *House of Silent Light*, enters production in early June and will be published in July. This compelling account of Ida Russell, pioneer of Zen Buddhism in gilded-age America, has been edited by Wayne Yokoyama, and has again been well-supported by the Society's trade distributors. We are printing 1,000 copies in hardcover (at c.£28) in the first run, and expect bookshop sales to be divided broadly equally between North America and the UK/international market.

Following soon after this will be Darcy Flynn's eagerly-anticipated *Buddhism & Women*. This major new survey of the role of women in Buddhism is now fully edited, and has reached its final design stage: we therefore anticipate producing the book in the summer for an autumn launch.

Further down the publishing pipeline will be a new edition of the *Bodhicaryavatara*, the 8<sup>th</sup> century masterpiece with a commentary by His Excellency Ringu Tulku Rinpoche and a new assessment of the Sanskrit translation by scholar James Whelan.

#### FINANCIAL REVIEW

The Financial Statements show a net increase in funds of £381,154 (2022: increase of £16,893) in the year after receiving £569,709 (2022: £198,950) and expending £176,243 (2022: £193,280), making total funds carried forward of £3,249,269 (2022: £2,868,115).

#### Reserves policy

The Trust has set a reserves policy that provides financial stability and the means for the development of its principal activities and ongoing building maintenance. It requires maintaining free cash balances in the general fund amounting to six months normal expenditure which this year equates to approximately £100,000 (2022: £100,000). In addition, it has agreed that a sum of £350,000 be retained to cover necessary building repairs, renewals and maintenance required in the foreseeable future, however this may be invested in the short term. Surplus funds will be invested to provide a regular ongoing income. The Trust regularly reviews the amount of reserves that are required to ensure that they are adequate to fulfill continuing obligations.

The Trust considers the present level of funding and reserves is adequate to support the charity's activities for the medium term, and the directors consider the financial position of the charity to be satisfactory.

### **Investment Review and Performance**

No authoritative external investment review has been conducted during the reporting period. The accounts show that the value of the investments has fallen to £57,794 (2022: £70,105) These have yielded distributions during the year of £3,293 (2022: £2,216).

Two of the investment funds were closed by the investment company and their redemption value was paid into the charity's main bank account. Since there is no need for the trustees to liquidate their remaining investments in the near future, this figure represents a snapshot of their value at 30 April 2023.

The trustees consider the investment performance for the year to be satisfactory under current market conditions.

#### **Donations and Legacy income**

£413,000 was received in legacy income during the year. (2022: 22,713). This includes a donated property valued at £320,000.

#### STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In preparing this report the directors have taken advantage of the special provisions of the Companies Act 2006 relating to small companies.

I approve the attached statement of financial activities and balance sheet for the year ended 30 April 2023 and confirm that I have made available all information necessary for its preparation.

#### INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report to the trustees on my examination of the accounts of the Buddhist Society Trust for the year ended 30th April 2023.

#### Responsibilities and basis of report

As the charity's trustees of the charitable company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the charitable company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- · accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities[applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

### **Incoming resources**

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land and buildings: The freehold of the building is held at cost because it is a mixed property and each component cannot be valued or sold separately.

Plant and machinery etc: 25% on cost and 10% on cost

#### Investments

Investments are shown at the most recent valuation. Any aggregate surplus or deficit arising from changes in market value is transferred to a revaluation reserve.

The charity was bequeathed a flat in a property in North London which needed a total refurbishment. This property is being held at a fair value after renovations based on a recent Zoopla estimate and is currently let out to provide an income for the charity.

The charity was bequeathed a further property in South London. This was valued for probate and has been included in the financial statements. It is currently being refurbished and will be let out to provide an income for the charity.

The charity is exempt from corporation tax on its charitable activities.

#### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity.

The freehold of the building where the charity has its headquarters is held by at cost because it is a mixed property and each component cannot be valued or sold separately. The depreciation is not material as the asset has a very long useful life and the conditions of FRS102 (paragraph 17.8 to 17.21) are met and an annual impairment review is carried out. The directors do not believe that the freehold property has depreciated in value during the course of the year.
