## ABBREVIATED BALANCE SHEET AS AT 31 JULY 2006

In preparing these abbreviated accounts

- (a) The director is of the opinion that the company is entitled to the exemption from audit conferred by Section 249A(1) of the Companies Act 1985,
- (b) No notice has been deposited under Section 249B(2) of the Companies Act 1985, and
- (c) The director acknowledges his responsibilities for
  - (i) ensuring that the company keeps accounting records which comply with Section 221 of the Companies Act 1985, and
  - (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies

The financial statements were approved by the board on

Director

## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2006

#### 1 Accounting policies

#### 11 Accounting convention

The financial statements are prepared under the historical cost convention modified to include the revaluation of land and buildings and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005)

#### 12 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

#### 1.3 Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life of five years

#### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets include investment properties valued by the director on an existing use open market value basis. Other tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows.

Freehold buildings

2% on cost

Fixtures, fittings and equipment

20% to 25% on cost

Motor vehicles

25% on cost

Freehold buildings are depreciated to write down the cost less estimated residual value over their remaining useful life by equal annual instalments. Where buildings are maintained to such a standard that their residual value is not less than their cost or valuation, no depreciation is charged as it is not material.

Investment properties are included in the balance sheet at their open market value. Depreciation is provided only on those investment properties which are leasehold and where the unexpired lease term is less than 20 years.

Although this accounting policy is in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005), it is a departure from the general requirement of the Companies Act 1985 for all tangible assets to be depreciated. In the opinion of the director compliance with the standard is necessary for these financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

The revaluation reserve and the investment property revaluation reserve are not amortised in accordance with the depreciation policies in respect of the properties to which they relate

#### 1.5 Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 JULY 2006

#### Accounting policies

#### 16 Stock

Stocks and work in progress are stated at the lower of cost and net realisable value

Cost is calculated using the first-in, first-out method and consists of materials and direct labour costs, together with an appropriate proportion of production overheads

#### 1.7 Pensions

The pension costs charged in the financial statements represent the contributions payable by the company during the year in accordance with SSAP 24

#### 1.8 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.
