Statement of Directors' Responsibilities

Company law requires the Directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for the period.

In preparing those accounts, the Directors are required to select suitable accounting policies and then apply them consistently, make judgments and estimates that are reasonable and prudent and prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

In accordance with Section 385(2) of Companies Act 1985 a resolution will be submitted at the forthcoming annual general meeting that Myers Clark, Chartered Accountants, be re-appointed as auditors.

Special Exemptions Applicable to Small Companies

The Directors have taken advantage, in preparation of their report, of special exemptions applicable to small companies.

AUDITORS' REPORT TO THE SHAREHOLDERS OF
ANGLO PORTUGUESE CORK CO LIMITED

We have audited the accounts on pages 4 to 10 which have been prepared under the historical cost convention and the accounting policies set out on page 6.

Respective Responsibilities of Directors and Auditors

As described on page 2 the Company's Directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our audit, on those accounts and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgments made by the Directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of the Company's affairs as at 31 October 1998 and of its profit for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.

NOTES TO THE ACCOUNTS

AT 31 OCTOBER 1998

1. ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the Company's accounts.

Accounting Convention

The accounts are prepared under the historical cost convention.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life as follows:

Fixtures and fittings	- 10% reducing balance
Motor vehicles	- 25% reducing balance

Stocks

Stocks are stated at the lower of cost and net realisable value as follows:

Raw materials	- purchase cost, including overheads incurred in bringing the stock to its present location and condition, on a first-in, first-out basis.
Work in progress and finished goods	- cost of direct materials and labour plus attributable overheads based on normal level of activity

Net realisable value is based on the estimated selling price less further costs expected to be incurred to completion and disposal.

Deferred Taxation

Deferred taxation is provided at the current tax rate on the differences arising from the inclusion of income and expenditure in taxation computations in periods different from those in which they are included in the accounts. No provision is made where these timing differences are not expected to give rise to a tax liability.

2. TURNOVER

Turnover comprises the invoiced value of goods and services supplied by the company exclusive of VAT and trade discounts. The turnover is attributable to one class of business.
