Notes to the abbreviated accounts

For the year ending 31
December 2010

1 Accounting policies

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). During the year ended 31 December 2010 the company reported an operating loss. The directors believe that the company will, in future periods, be able to meet its day to day working capital requirements from cash generating operations. Accordingly, the financial statements do not include any adjustment that would be required if the company was unable to continue as a going concern.

Turnover

Turnover represents the total invoice value, excluding value added tax, of goods sold and services rendered during the year.
