NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2010

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The nature of the company's business is such that there can be considerable unpredictable variation in the timing of cash inflows. The directors have prepared projected cash flow information for the period ending 12 months from the date of their approval of these financial statements. On the basis of this cash flow information and discussions with the company's bankers, the directors consider that the company will continue to operate within the facility currently agreed. The directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of the overdraft facility by the company's bankers.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	2% Straight line
Fixtures, fittings & equipment	15% Reducing balance
Motor vehicles	20% Reducing balance

1.5 Stock

Stock is valued at the lower of cost and net realisable value.

1.6 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
