**Independent auditor's report to Pleythorne Limited**

**UNDER SECTION 449 OF THE COMPANIES ACT 2006**

---

We have examined the abbreviated accounts which comprise the balance sheet and the related notes, together with the financial statements of Pleythorne Limited for the year ended 31 March 2015 prepared under Section 396 of the Companies Act 2006.

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditor**

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

**Opinion**

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

## Notes to the abbreviated accounts

Year ended 31 March 2015

---

**1. Accounting policies****Basis of accounting**

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain fixed assets, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Consolidation**

In the opinion of the directors, the company and its subsidiary undertakings comprise a small group. The company has therefore taken advantage of the exemption provided by Section 398 of the Companies Act 2006 not to prepare group accounts.

**Turnover**

The turnover shown in the profit and loss account represents rent and service charges receivable the year. Turnover is recognised over the period to which it relates.

**Fixed assets**

All fixed assets are initially recorded at cost.

**Depreciation**

Depreciation is calculated so as to write off the cost or revaluation of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Fixtures & Fittings                      -     25% straight line

Investment properties are revalued annually by the directors and every third year by independent Chartered Surveyors on an open market basis. No depreciation is provided on properties or on leasehold investment properties where the unexpired lease term exceeds 20 years.

**Investment properties**

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the investment revaluation reserve unless a deficit, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year.

This is in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) which, unlike the Companies Act 2006, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the provisions of the Act is required in order to give a true and fair view.

**Pension costs**

The company makes pension payments to certain former employees. Amounts paid under these agreements are charged to the pension provision as they become payable.

**Provisions for liabilities**

The company has made a full provision for the expected liability arising from the pension agreements with certain former employees. This balance has been discounted to represent the present value of the liability. It is reviewed annually and recalculated at regular intervals. Any movement as a result of these reviews are charged to the profit and loss account.

**Deferred taxation**

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

No provision has been made for deferred tax on gains recognised on revaluing property to its market value as the company does not intend to sell the revalued assets.

## Notes to the abbreviated accounts

1. Accounting policies (*continued*)**Financial instruments**

Financial assets such as cash and debtors are measured at the present value of the amounts receivable, less an allowance for the expected level of doubtful receivables. Financial liabilities such as trade creditors and finance leases are measured at the present value of the obligation.

**Going concern**

The directors have, at the time of approving the financial statements, a reasonable expectation that the group has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.
