REPORT OF THE DIRECTORS

The directors submit their report, together with accounts for the year ended 30 November 1998.

Statement of the Directors Responsibilities

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of the company's affairs and the profit or loss of the company for that period. In preparing those financial statements, the directors are required to;

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with The Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activities

The principal activities of the company are the ownership, management and letting of commercial properties.

Review of Business Developments

All units are currently let.

The directors are considering the disposal of the factory unit at Douglas Road and the unit at Cheltenham Road whilst reviewing the market for further investment opportunities.

Results and Dividends

The results for the period are set out in the Profit And Loss Account and show a net profit of £20,087 (1997 £66,526 including profits on disposal - £7,295 net loss).

The directors do not recommend the payment of a dividend.
