RESPONSIBILITIES OF THE TRUSTEES

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the charitable company at the end of the year and of the net incoming or outgoing resources for the year then ended.

In preparing those financial statements, the trustees are required to select suitable accounting policies, as described on page 7, and then apply them on a consistent basis, making judgements and estimates that are reasonable and prudent. The trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
