NICON DEVELOPMENTS LIMITED
STATEMENT OF DIRECTORS' RESPONSIBILITIES

The purpose of this statement is to distinguish the directors' responsibility for the accounts from those of the auditors as stated in their report.

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the company's state of affairs at the end of the year and of its profit or loss for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**AUDITORS' REPORT
TO THE SHAREHOLDERS OF
NICON DEVELOPMENTS LIMITED**

We have audited the accounts on pages 4 to 11 which have been prepared in accordance with the Financial Reporting Standard for Smaller Entities under the historical cost convention and the accounting policies set out on page 7.

Respective responsibilities of directors and auditors

As described on page 2 the company's directors are responsible for the preparation of accounts. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Unqualified opinion

In our opinion, the accounts give a true and fair view of the state of the company's affairs as at 31 December 2000 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Director

The notes on pages 7 to 11 form part of these accounts.

NICON DEVELOPMENTS LIMITED
NOTES TO THE ACCOUNTS
YEAR ENDED 31 DECEMBER 2000

1. ACCOUNTING POLICIES

a) Basis of preparation of accounts

The accounts have been prepared under the historical cost convention as modified by the inclusion of investment properties at valuation and in accordance with:

- (i) the Financial Reporting Standard for Smaller Entities (Effective March 2000); and
- (ii) the special provisions of Part VII of the Companies Act 1985 relating to small companies.

b) Tangible fixed assets and depreciation

Tangible fixed assets, other than investment properties, are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant & machinery	-	15%	straight line
Motor vehicles	-	25%	straight line
Fixtures & fittings	-	10%	straight line
Office equipment	-	10%	straight line

c) Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the profit and loss account as incurred.

d) Stocks and work in progress

Stocks include work in progress and land held for development and are stated at the lower of cost and net realisable value. Cost includes the purchase price of raw materials and labour.

e) Deferred taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounts purposes, using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the near future.

f) Pensions

The company contributes to the Nicholas Holdings Retirement Benefit Scheme, a defined contribution scheme, and the pension charge for the year represents contributions made to the scheme during the year.

g) Investment properties

Investment properties are revalued annually and the aggregate surplus or deficit is transferred to the investment revaluation reserve. No depreciation is provided in respect of investment properties. This constitutes a departure from the statutory rules requiring fixed assets to be depreciated over their economic useful lives but is necessary to enable the financial statements to give a true and fair view. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

h) Investments

The investments are held for the long-term and are stated at cost less provision for the permanent diminution in value.

i) Turnover

Turnover consists of income derived from the sale of land and property.
