GOVERNORS' REPORT (CONTINUED)

Year ended 31 July 2010

Structure, governance and management

The school is established as a company limited by guarantee and is registered as a charity with the Charity Commission. The affairs of the school are governed by its Memorandum and Articles of Association. The liability of the Members in the event of the company being wound up is limited to a sum not exceeding £1 each. The financial statements comply with current statutory requirements, the Memorandum and Articles of Association and the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005 second edition).

Organisation

The Governors determine the general policy of the school and this has not changed during the year. The day to day management of the school is delegated to the Headmaster, the Deputy Headmaster and the Finance Manager. The current board appoint any new Governors and aim to maintain a good mix of professional skills, parents or ex-parents and senior school heads. All new Governors spend a full day at the school and participate in all activities to gain a better understanding of the workings of the organisation.

Risk policy

The Governors examine the major risks that the school faces each financial year when preparing and updating the strategic plan. The company has developed systems to monitor and control these risks to mitigate any impact that they may have on the school in the future.

Related parties

The only significant related parties are the Governors of the school and the company's subsidiary undertaking. Further details are given in notes 22 and 25.

Objectives and activities

The principal activity of the company, and its only subsidiary undertaking, is the advancement of education to children. The school aims to provide a full range of education to cover academic subjects, sporting activities, music and the arts. Outside of the classroom, great emphasis is put on good manners, self-discipline and consideration of others to ensure the children are well prepared for their future at senior schools.

Entry, subject to availability, is at any age from 3 - 12. From 3 - 4½ children are admitted to the Nursery, from 5 - 7½ to the Pre-Prep, and from 7½ - 12 to the Prep School. There is no formal entry test, but extensive interviews with parents and reports from previous schools ensure that children are placed in the correct forms. Children of all religions and races are welcome. Classes average twelve children. There is a flexible setting arrangement for each subject and small classes enable the school to cater for children with a wide range of abilities. The school follows the National Curriculum, although the syllabus goes well beyond it. Every child learns French, the majority study Latin, and some take Greek. The facilities for science, music, art, and information technology are impressive.

The school has a thriving music department, with two thirds of the children learning an instrument in a well equipped music block. All children participate in music making and can join choirs, string orchestra, wind band and recorder ensemble. Art and pottery are taught in a purpose built art studio and separate pottery room. Several art and music scholarships to leading independent secondary schools have been won. The school play is a highlight of the Spring Term. Short form plays and the leavers' review provide good opportunities for talent to emerge and some children enjoy writing and producing their own plays and pantomimes.

Rugby, football, cricket, netball, hockey, tennis and rounders are the main games played. Children also take part in athletics, swimming, gymnastics, sailing and judo. There are five all-weather tennis courts, an indoor swimming pool and an athletics track. Playing fields, which are next to the school buildings, are first class.

GOVERNORS' REPORT (CONTINUED)

Year ended 31 July 2010

Objectives and activities (continued)

The girls live in three separate houses, each having a housemistress assisted by her husband. Small numbers and the fact that the houses are very close to the main school buildings, but stand in their own grounds, ensure that there is a relaxed family atmosphere. The boys board in dormitories which are small and have an intimate feel. The Head Matron is in charge of the children's health and she and her assistants are on call, day and night. As well as the half-term break, there are two exeats each term, boarders therefore have at least three nights at home every two and half weeks. Parents can visit the school regularly and special arrangements are made for children who live overseas. Grandparents and other relatives or friends are made very welcome at the school.

Achievements and performance

The school continues to perform as expected with a near 100% pass rate at Common Entrance, and almost one in three children reach the high standard required to receive a scholarship to his or her chosen senior school. Schools to which scholarships have been gained include Cheltenham Ladies, Harrogate, Malvern, Oakham, Oundle, Repton, Rugby, Sedbergh, Shrewsbury, Uppingham, Winchester and Wycombe Abbey.

Financial review

The School has a wholly controlled subsidiary, S Anselm's Educational Trust Limited. The financial statements show the results and the financial position of the school both as an individual company and as a group. The company is debarred by the terms of its Memorandum of Association from paying any dividends.

The overall group surplus is £62,566 (2009 - £41,564). The result is consistent with the Governors' objective to achieve a surplus which will allow continued investment in maintaining the high standards of the school's facilities.

Reserves policy

The Governors have considered the charity's reserve requirements in line with Charity Commission guidelines. The Governors have set a policy which reflects their wish to safely commit as much as possible to the development of the school and its facilities whilst retaining financial stability and the potential to respond to new opportunities. This year group reserves have moved from £3,545,868 to £3,608,434. The majority of these are tied up in the property owned by the charity. The Governors believe that the remaining resources are sufficient to meet the ongoing needs of the charity.

Resources

Reserves held by the School are classified as either restricted or unrestricted. The unrestricted reserves are not for any specific purpose but available for day to day requirements. Restricted reserves can only be used for particular restricted purposes within the School, in accordance with the donor's wishes.

Investment powers

Under the Memorandum and Articles of Association, the company has the power to make any investment the Governors see fit.

Year ended 31 July 2010

Public Benefit Purpose

The advancement and provision of education and resources for children of any socio-economic group, race, religion or from any geographical location, in the context of a non-selective, rural boarding and day school

The Governors confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the general guidance issued by the Charity Commission on public benefit. This was confirmed in July 2010 when the Charity Commission announced that the totality of benefits offered by the S Anselm's Governors' plan does demonstrate that it is operating for the public benefit

Public Benefit Aim

The School is committed to ensuring that it can offer a benefit to as wider a range of the community as possible. It meets these aims by

- (1) Awarding means tested bursaries
- (2) Sharing educational resources and facilities with local children and schools
- (3) Creating partnerships with local schools and community groups

(1) Bursaries

The School Foundation set up a Bursary Fund in 2004 with the aim of offering financial assistance for places for those families who would not otherwise be able to afford the opportunity for an independent school education. The initial aim was to offer an annual award for a child to start in the 1st year and progress through to the end of the school. The funding for each place is shared by the Bursary Fund and the school's generated surpluses.

The first Bursary Fund pupil started at the School in September 2007 and an additional award has been made in each subsequent year.

(2) Shared Resources and Facilities

- (a) The School shares its sports hall, indoor swimming pool, purpose built music block, theatre and dining room with local sports clubs and community groups. These facilities are offered at a discount or free of charge to clubs or organisations for the benefit of children.
- (b) The School promotes fundraising from within the school for local, national and international child related charities.
- (c) The School offers placement opportunities to students/trainees whereby they receive training and experience to further their teaching careers.

(3) Partnerships with Local Schools and Community Groups

- (a) The school staff arrange and promote joint events with other local schools, using our own resources for the benefit of those children.
- (b) The School takes an active role in promoting and developing further sports facilities for the benefit of children in the local area.

GOVERNORS' REPORT (CONTINUED)

Year ended 31 July 2010

Statement of Governors' responsibilities

The Governors (who are also directors of S Anselm's School Trust Limited for the purposes of company law) are responsible for preparing the Governors' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the Governors to prepare accounts for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Governors are required to

- select suitable accounting policies and apply them consistently,
- observe the methods and principles in the Charities SORP,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in existence

The Governors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

So far as the Governors are aware, there is no relevant audit information (information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware. Each Governor has taken all the steps that they ought to have taken as a Governor in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF S. ANSELM'S SCHOOL TRUST LIMITED

We have audited the charitable group and parent charitable company's financial statements of S Anselm's School Trust Limited on pages 9 to 26 for the year ended 31 July 2010. These financial statements have been prepared in accordance with the accounting policies set out therein.

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Governors and auditors

The responsibilities of the Governors (who are also the directors of S Anselm's School Trust Limited for the purposes of company law) for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), and for being satisfied that the financial statements give a true and fair view are set out in the Statement of Governors' Responsibilities on page 6.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland). We report to you our opinion as to whether the financial statements give a true and fair view, have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and have been prepared in accordance with the Companies Act 2006. We also report to you whether in our opinion, the information given in the Governors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the charitable company has not kept adequate accounting records, if the financial statements are not in agreement with the accounting records and returns, if we have not received all the information and explanations we require for our audit, or if certain disclosures of Governors' remuneration specified by law are not made.

We read the Governors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Governors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charity's circumstances, consistently applied and adequately disclosed.

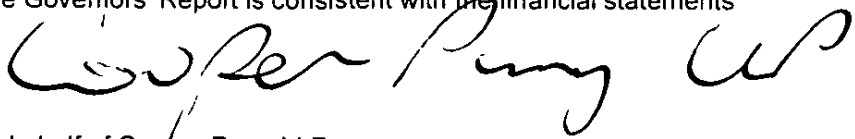

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF S. ANSELM'S SCHOOL TRUST LIMITED

Opinion

In our opinion

- the financial statements give a true and fair view of the state of the charitable group's and parent charitable company's affairs as at 31 July 2010 and of their incoming resources and application of resources, including their income and expenditure, for the year then ended,
- the financial statements have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice,
- the financial statements have been prepared in accordance with the Companies Act 2006, and
- the information given in the Governors' Report is consistent with the financial statements

NOTES RELATING TO THE FINANCIAL STATEMENTS

Year ended 31 July 2010

1 Accounting policies

Basis of accounting

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards including the provisions of the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005 second edition) and the Companies Act 2006,

Consolidation

The group financial statements consolidate the financial statements for S Anselm's School Trust Limited and its subsidiary company, S Anselm's Educational Trust Limited, both of which are made up to 31 July 2010

All intra-group transactions are excluded

Turnover

Turnover represents the invoiced amount of fees charged during the year. Turnover relates to the principal activities of the group and arose wholly within the United Kingdom

Donations

Donations are accounted for in the period during which they become receivable

Classification of expenditure

Expenditure is included in the statement of financial activities on an accruals basis, inclusive of VAT. Expenditure is allocated to costs of charitable activities, governance costs and other resources expended of the school. Costs of charitable activities comprise all expenditure directly relating to the charitable activities of the school. Governance costs comprise expenditure relating to the general running of the School rather than directly related to its charitable activities. Other items of expenditure are included within other resources expended.

It is the policy of the school not to offset income and expenditure

Fund accounting

Funds held by the school are either unrestricted or restricted. Unrestricted funds can be used in accordance with the charitable objects at the discretion of the governors. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Such restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

NOTES RELATING TO THE FINANCIAL STATEMENTS

Year ended 31 July 2010

1 Accounting policies (continued)

Depreciation

Except as described below, depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life

Freehold property	2% straight line
Furniture and machinery	10% - 25% reducing balance basis
Motor vehicles	25% reducing balance basis
Computers	25% straight line

No depreciation is provided on the property development. The property development relates to the building of the sports hall by S Anselm's Educational Trust Limited, a wholly owned subsidiary. This is not depreciated as the property is maintained regularly and the residual value to the subsidiary is not materially different from the carrying value of the development. Carrying values are reviewed for impairment annually.

Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

Pension costs

The school's professional teaching staff are members of the Teachers' Superannuation Scheme. The results for the year are stated after charging the relevant employer's contributions to this scheme.

Other full time staff are members of a defined contribution scheme. The amount charged to the Statement of Financial Activities in respect of pension costs are the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

The assets of both schemes are held separately from those of the company in independently administered funds.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against results on a straight line basis over the period of the lease.

Investments

Investments are stated at cost less any provision for impairment in value.

Stock

Stock is stated at the lower of cost and net realisable value.

23 Restricted funds continued .

The Bursary Fund is to give deserving children, whose families might not otherwise be able to send them to S Anselm's, the opportunity to benefit from a S Anselm's education

The purpose of the Splash Fund was to raise sufficient funds to construct an indoor swimming pool for the school with additional changing rooms and several new recreational areas. The swimming pool was completed by the end of 2008. The Splash Fund still holds funds to contribute towards the remaining retention payments due to contractors in respect of the construction.

The funds are raised through the S Anselm's Foundation. This was established in August 2004 as a permanent fundraising organisation to fund future development plans for the benefit of the School. The first objectives are to accept donations to fund Bursaries at the school, and other major capital projects.

24 Subsidiary company

The charity operates a subsidiary company, S Anselm's Educational Trust Limited, a company limited by guarantee and registered in England.
