STRATEGIC REPORT

for the year ended 29 March 2015

The directors present the strategic report of Guardian News and Media Limited (the "Company") for the year ended 29 March 2015.

Activities and business review

The Company's principal activities are the dissemination of news, information and advertising matter by way of digital and print media.

Strategy and future outlook

GNM is on track with its plan to reduce underlying operating losses while growing digital revenue and its international presence. The future will focus on further improvement in underlying performance and reductions in cash used in operations, while continuing to grow audience reach and engagement and prioritise innovation in award-winning journalism and editorial products.

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with those of the group and are not managed separately. Accordingly, the principal risks and uncertainties of Guardian Media Group plc, which include those of the Company, are discussed on page 4 and 5 of the group's consolidated financial statements, copies of which are available from The Secretary, Guardian Media Group plc, PO Box 60164, Kings Place, 90 York Way, London, N1P 2AP.

Operating and financial performance

The results for the Company are set out in the profit and loss account on page 8.

Revenue from continuing operations increased to £210,845,000 (2014: £208,547,000), from an increase in digital and new product revenue.

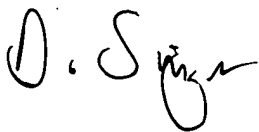

GNM total revenue grew by 2.6% to £214,600,000 (2014: £209,000,000) with increases in digital and new product revenue more than offsetting declines in print revenue. GNM divisional digital revenue for the year increased by 20.1% to £82,100,000 (2014: £68,300,000).

GNM total and GNM digital revenue include revenues from Guardian in America, Guardian in Australia and other GNM subsidiaries. Revenue and digital revenue for 2014 and 2015 are restated to exclude Guardian Digital Agency (GDA) as the trade and assets of GDA were sold in July 2014.

Key performance indicators

The directors manage the group's operations on a divisional basis and this Company forms part of GNM. The key performance indicators of GNM are discussed on page 4 and 5 in the group's consolidated financial statements, copies of which are available from The Secretary, Guardian Media Group plc, PO Box 60164, Kings Place, 90 York Way, London, N1P 2AP.

ON BEHALF OF THE BOARD OF DIRECTORS

REPORT OF THE DIRECTORS

for the year ended 29 March 2015

The directors present the report of the directors and the audited financial statements of Guardian News and Media Limited (GNM, the "Company") for the year ended 29 March 2015.

Future developments

Future developments have been discussed within the strategic report on page 3.

Financial risk management

Financial risk management is discussed on pages 15 and 16 in the group's consolidated financial statements, copies of which are available from The Secretary, Guardian Media Group plc, PO Box 60164, Kings Place, 90 York Way, London, N1P 2AP.

Environment

The Company recognises the importance of its environmental responsibilities, monitors its impact on the environment and designs and implements policies to reduce any damage that might be caused by its activities. During the year, the Company published its annual social, ethical and environmental audit that measures the impact of its corporate social responsibility programme.

Employees

The Company systematically provides employees with information on matters of concern to them, consulting them or their representatives regularly, so that their views can be taken into account when making decisions that are likely to affect their interests. Employee involvement in the Company is encouraged, as achieving a common awareness on the part of all employees of the financial and economic factors affecting the Company plays a major role in maintaining it. The Company encourages the involvement of employees by means of regular communication programmes to the Company as a whole delivered by senior management, frequent internal email and intranet updates and an annual all staff financial results briefing.

The Company is committed to employment policies, which follow best practice, based on equal opportunities for all employees, irrespective of sex, race, colour, disability or marital status. The Company gives full and fair consideration to applications for employment from disabled persons, having regard to their particular aptitudes and abilities. Appropriate arrangements are made for the continued employment and training, career development and promotion of disabled persons employed by the Company. If members of staff become disabled the Company continues employment, either in the same or an alternative position, with appropriate retraining being given if necessary.

Dividends

The directors are unable to recommend the payment of a dividend (2014: £nil).

Share issue

During the year, 15.0 million £1 ordinary shares were issued at par (2014: 35.0 million £1 ordinary shares).

Going concern

The Company's intermediate parent undertaking, Guardian Media Group plc, is owned 100% by The Scott Trust Limited, whose core purpose is to secure the financial and editorial independence of The Guardian in perpetuity. The directors believe that the Company has adequate resources to continue operations for the foreseeable future and confirmation has been received from Guardian Media Group plc that it will provide financing facilities to enable the Company to carry on its business as a going concern. For this reason, the going concern basis in preparing the financial statements continues to be appropriate.

Directors and their interests

The directors of the Company at 29 March 2015 are as listed on page 2. E. Ciechan and T. Cordrey were appointed directors on 17 July 2014 and K. Viner was appointed a director on 1 June 2015. A. Rusbridger and A. Miller were directors on 29 March 2015 and resigned as directors on 1 June 2015 and 30 June 2015 respectively. All other directors served throughout the year. No director had any interest in contracts made by the Company.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE DIRECTORS (continued)
for the year ended 29 March 2015

Disclosure of information to auditors

Each person who is a director at the date of approval of this report confirms that:

1. so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
2. the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of relevant information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418(1) to (4) of the Companies Act 2006.

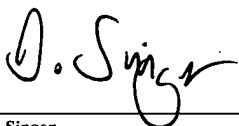

Independent auditors

In the absence of a notice proposing that the appointment be terminated, the auditors will be deemed to be re-appointed for the next financial year.

Directors' indemnities

As permitted by the Articles of Association, the directors have the benefit of an indemnity, which is a qualifying third party indemnity provision as defined by s234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The Company also purchased and maintained throughout the financial year directors' and officers' liability insurance in respect of itself and its directors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GUARDIAN NEWS AND MEDIA LIMITED

Report on the financial statements

Our opinion

In our opinion, Guardian News and Media Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 29 March 2015 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

Guardian News and Media Limited's financial statements comprise:

- the balance sheet as at 29 March 2015;
- the profit and loss account for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the strategic report and the report of the directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF GUARDIAN NEWS AND MEDIA LIMITED (continued)

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the statement of directors' responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

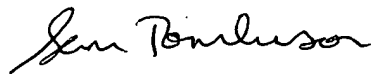

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the report of the directors and financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**NOTES TO THE FINANCIAL STATEMENTS
for the year ended 29 March 2015**

1. Accounting policies

Accounting basis

The financial statements have been prepared on a going concern basis in accordance with the Companies Act 2006 and applicable Accounting Standards in the United Kingdom. A summary of the more important accounting policies, which have been applied consistently, is set out below. The financial statements have been prepared on the historical cost basis.

Confirmation has been received from Guardian Media Group plc that, with The Scott Trust Limited's core purpose being to secure the financial and editorial independence of The Guardian in perpetuity, it will provide additional financing facilities to enable the Company to carry on its business as a going concern.

The Company is exempt from the requirement to produce consolidated financial statements, under s400 of the Companies Act 2006, on the basis that it is a wholly owned subsidiary undertaking of Guardian Media Group plc.

The financial statements of the Company are made up to the Sunday closest to 31 March each year. Consequently, the financial statements for the current period cover the 52 weeks ended 29 March 2015 and for the comparative period cover the 52 weeks ended 30 March 2014.

Cash flow statement

The Company is a wholly owned subsidiary undertaking of Guardian Media Group plc and the cash flows of the Company are included in the consolidated group cash flow statement of Guardian Media Group plc. Consequently, the Company is exempt from publishing a cash flow statement under FRS 1 (revised 1996).

Goodwill

Goodwill represents the excess of the cost of an acquisition over the fair value of the net assets of the acquired subsidiary undertaking at the date of acquisition and is written off to the profit and loss account over its estimated useful life or 20 years, whichever is the shorter.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost less depreciation and any provisions for impairment. Depreciation of tangible fixed assets has been calculated to write off original cost by equal instalments over the expected useful economic life of the asset concerned. The principal annual rates used for depreciation are:

Plant and vehicles	6.7% - 50%	Fixtures and fittings	10% - 33%
--------------------	------------	-----------------------	-----------

Assets in course of construction are not depreciated until they are completed and employed by the Company. Depreciation is charged on assets from the time they become operational, over their expected useful economic life.

Development costs relating to the creation of software are capitalised if it is probable that the expected future economic benefits attributable to the asset will flow to the Company and the costs can be reliably measured. Expenditure on research is expensed. Computer equipment and digital assets are included within plant and vehicles.

The carrying value of fixed assets is reviewed for impairment if events or changes in circumstances suggest that their carrying amount may not be recoverable. When an impairment review is undertaken, the recoverable amount is calculated as the value in use of expected future cash flows of the relevant income generating unit.

Investments

Investments are recorded at cost plus incidental expenses less any provision for impairment.

Stock

Stock is stated at the lower of cost or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 29 March 2015

1. Accounting policies (continued)

Taxation

The Company provides for corporate taxation on the results for the period at the normal rate applicable to that period and recognises group relief when made available.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. The deferred tax assets and liabilities are not discounted.

Deferred tax assets are regarded as recoverable and recognised in the financial statements when, on the basis of available evidence, it is more likely than not that there will be suitable taxable profits from which the future reversal of the timing differences can be deducted. The recoverability of tax losses is assessed by reference to the overall profitability of the group.

No timing differences are recognised in respect of:

- fair value adjustments to acquired tangible fixed assets where there is no commitment to sell the asset;
- gains on the sale of assets where those gains have been rolled over into replacement assets; and
- additional tax which would arise if the profits of overseas subsidiary undertakings were distributed, in excess of those dividends that have been accrued.

Where the amount received for group relief is more than the tax value surrendered, the excess amount is recognised directly in the profit and loss account reserve. The receipt for the tax value of the loss surrendered is recognised in the tax credit for the year.

Turnover

Turnover represents the fair value of consideration received or receivable for circulation, advertisement and other ancillary services (net of VAT, trade discounts, rebates and anticipated returns). Turnover is recognised when the amount of turnover can be reliably measured and it is probable that future economic benefits will flow to the Company.

Circulation turnover is recognised on publication. Returns are estimated based on historical experience and presented net of turnover in the profit and loss account and net of debtors on the balance sheet. Subscription turnover is recognised on a straight-line basis over the life of the subscription. Turnover allocated to voucher schemes is deferred based on estimated redemption rates and recognised as the vouchers are used or expire.

Print advertising turnover is recognised on publication net of sale discounts. Online advertising turnover is recognised as page impressions are served or evenly over the period, depending on the terms of the contract.

Subscription turnover from the provision of content via digital platforms is recognised gross of platform provider commission when the Company retains decisions over pricing and marketing strategy and is recognised net of platform provider commission when the Company does not retain these.

Marketing services revenue is recognised by stage of completion of the contractual arrangement at the balance sheet date. The stage of completion is determined through an assessment of the proportion of services that have been delivered compared to the total services required to complete the contract. Income from advance billings is deferred and released to revenue when conditions for its recognition have been fulfilled.

Exceptionals

The separate reporting of non-recurring exceptional items helps provide an indication of the Company's underlying business performance. The principal items which are included as exceptional items are the costs of significant restructuring.

Leases

Leases in which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the inception of the lease at the lower of the fair value of the asset and the present value of minimum lease payments. The equivalent liability is categorised under current and non-current liabilities. Assets under finance leases are depreciated over the shorter of the lease term and their estimated useful economic life. Finance charges are allocated to accounting years over the life of each lease to produce a constant rate of interest on the outstanding balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

The aggregate benefit of operating lease incentives is recognised as a reduction of rental expense. The benefit is allocated on a straight-line basis over the shorter of the lease term and the period ending on the date from which it is expected that prevailing market rental will be payable and recorded within other creditors.

Provisions

A provision is recognised in the financial statements when an obligation exists at the balance sheet date, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of that obligation can be made.

Contingent liabilities are not recognised, but are disclosed unless an outflow of resources is remote. Contingent assets are not recognised, but are disclosed where an inflow of economic benefit is probable.

NOTES TO THE FINANCIAL STATEMENTS (continued)

for the year ended 29 March 2015

1. Accounting policies (continued)**Foreign currency transactions**

Transactions denominated in foreign currencies during the year are translated at rates ruling at the dates of the transactions. Monetary assets and liabilities held in foreign currencies are stated in sterling at rates applicable at the balance sheet date. Differences arising on translation and on the conversion of foreign currency transactions during the year are taken to the profit and loss account.

Pension costs

The Group operates defined contribution pension schemes. Contributions are made in accordance with the scheme rules, and charged to operating costs as incurred. Full details of the pension scheme are shown in the consolidated financial statements of Guardian Media Group plc.

2. Turnover

Sales are made substantially in the United Kingdom and relate to one class of business, being the dissemination of news, information and advertising matter by way of digital and print media. The Company has recognised revenue from barter transactions of £1,263,000 in the year (2014: £2,458,000) and from royalty and general service agreements with subsidiary undertakings of £5,601,000 (2014: £2,994,000).

(b) Factors affecting the current tax credit for the year	2015	2014
The tax for the year is higher (2014: higher) than the standard rate of corporation tax in the UK of 21% (2014: 23%). The differences are explained below:	£'000	£'000
Loss on ordinary activities before tax	(23,423)	(30,988)
Loss on ordinary activities multiplied by standard corporation tax rate of 21% (2014: 23%)	(4,919)	(7,127)
Effects of:		
Non-deductible expenses	753	476
Depreciation in excess of capital allowances	1,086	1,261

Adjustments in respect of prior years	(486)	470
Current year losses not recognised	2,120	-
Current tax credit for year	(1,526)	(5,383)

(c) Factors that may affect future tax charges

A change in the UK main corporation tax rate from 23% to 21% from 1 April 2014 and a further reduction to 20% from 1 April 2015 was substantively enacted during the previous financial year. There is no impact of the changes in these financial statements as deferred tax balances were remeasured at 20% in the previous financial year.

The deferred tax asset is expected to be recoverable after more than one year. The Company has an unprovided deferred tax asset of £26,091,000 (2014: £19,304,000) relating to carried forward trading losses (£10,338,000) (2014: (£8,746,000)), short term timing differences (£4,023,000) (2014: (£3,167,000)) and fixed asset timing differences (£11,730,000) (2014: (£7,391,000)). No deferred tax asset is recognised on these amounts as it is not regarded as more likely than not that there will be suitable taxable profits/gains, against which they can be deducted in the foreseeable future. Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws substantively enacted at the balance sheet date.

The Company has sublet one operating lease (see note 23) and the total annual sublet income expected to be receivable is £701,000 (2014: £666,000). Provisions have been recognised against those properties that are vacant or where the sublet income is below the head lease commitment (see note 17).

The Company has agreed to a 10 year lease for space in a building adjacent to Kings Place, with a principle purpose of supporting the Membership programme. At the date of signing the financial statements this lease was not signed and so is not included in the commitments above.

NOTES TO THE FINANCIAL STATEMENTS (continued)
for the year ended 29 March 2015

23. Related party transactions

The directors regard Guardian Media Group plc as the controlling party by virtue of its 100% interest in the equity share capital of the Company. Transactions with fellow members of the Guardian Media Group plc are not required to be disclosed as these transactions are fully eliminated on consolidation.

In the course of normal operations, the Company has traded on an arm's length basis with associates, joint ventures and other related undertakings, principally Top Right Group Limited and Seven Publishing Group Limited. The aggregated transactions which are considered to be material and which have not been disclosed elsewhere in the financial statements are summarised below:

	2015 £'000	2014 £'000
Revenue	1	-
Operating costs	-	1,051

At year end, debtor balances outstanding in relation to these transactions amounted to £nil (2014: £nil) and creditor balances outstanding in relation to these transactions amounted to £7,000 (2014: £7,000).

The Company has sublet an operating lease on an arm's length basis to Seven Publishing Group Limited (see note 22) and the sublet income receivable is recognised over the period of the sublease. The total amount invoiced during the year was £701,000 (2014: £666,000) and this amount was offset against an onerous lease provision (see note 17). The total debtor balance outstanding at year end amounted to £277,000 (2014: £200,000).

The Company paid one director of The Scott Trust Limited, Will Hutton £66,000 (2014: two directors £133,000) for services rendered to the Company in the normal course of business and on an arm's length basis.

24. Pensions

The majority of the Company's employees are members of a defined contribution pension scheme operated by its intermediate parent undertaking, Guardian Media Group plc. The Company's pension charge for the year is shown in note 3(a). Details of the Group's pension scheme are shown in the consolidated financial statements of Guardian Media Group plc. No pension contributions are outstanding or prepaid at year end.

25. Ultimate parent undertaking and controlling party

The immediate parent undertaking is Guardian News and Media (Holdings) Limited.

The Scott Trust Limited is the parent undertaking of the largest group of undertakings to consolidate these financial statements at 29 March 2015. The consolidated financial statements of The Scott Trust Limited are available from The Secretary, PO Box 68164, Kings Place, 90 York Way, London, N1P 2AP.

Guardian Media Group plc is the parent undertaking of the smallest group of undertakings to consolidate these financial statements. The consolidated financial statements of Guardian Media Group plc can be obtained from The Secretary, PO Box 68164, Kings Place, 90 York Way, London, N1P 2AP.
