# Statement of directors' responsibilities in respect of the accounts

Section 270 (4) of the Companies Act 1985 requires the Directors to prepare interim accounts when a distribution is proposed to be declared which would contravene sections 263 and 264 of the Companies Act 1985 if reference were made only to the Company's last annual accounts. These interim accounts have been prepared within the meaning of Section 272 of the Companies Act 1985 and constitute the relevant accounts for the purposes of determining whether a distribution may be made to shareholders.

The Directors consider that in preparing these accounts the Company has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgments and estimates, and that all accounting standards which they consider to be applicable have been followed. The directors have responsibility for ensuring that the Company keeps accounting records which disclose with reasonable accuracy the financial position of the Company and enable them to ensure that the accounts comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to detect and prevent fraud and other irregularities.

The above accounts are non-statutory. The full accounts for the year ended 31st March 1995 received an unqualified auditors' report and have been delivered to the Registrar of Companies.
