Dear Sirs

A & N Removals Limited - 00964070  
Horringford Move Management Limited - 00286353  
Hadley Millstone Limited - 01290839

(together "the Companies") - All in Creditors' Voluntary Liquidation

Liquidator: Malcolm Cohen  
Liquidator's Address: c/o BDO LLP, 55 Baker Street, London, W1U 7EU  
Date of Appointment: 7 February 2013

I provide for your information an annual progress report in accordance with Section 104A of the Insolvency Act 1986 and Rule 4.49C of the Insolvency Rules 1986

Following my appointment as liquidator, the registered office of the Companies was changed from Unit 10 Drury Way Industrial Estate, Laxton Close, London, NW10 0TG to c/o BDO LLP, 55 Baker Street, London, W1U 7EU

## **1 Receipts & Payments**

There have been no receipts and payments during the course of the liquidations and the sole asset of each company is a receivable due from the parent company, Moving Services Group UK Limited ("MSGUK")

## **2 Progress of the Liquidations**

I can advise that it was necessary to convert the above mentioned liquidations from members' voluntary liquidation to creditors' voluntary liquidation on 8 May 2013 following the identification of a group VAT liability.

The Companies' have been dormant for a number of years prior to my appointment and the information provided to me did not indicate their being part of a VAT group.

The VAT Group liability was incurred by the Companies' parent, MSGUK, which is also in creditors' voluntary liquidation

Claims have been entered in the liquidations from HM Revenue & Customs in respect of the group VAT liability. No other creditors have come forward to prove their debt against the Companies at the time of my writing.

### 3 Future Prospects

It is anticipated that the Companies will receive a small dividend in respect of their intercompany receivable balances, however the timing of this is not currently known.

I am liaising with HMRC with regard to assigning the above mentioned balances to HMRC, since they are the only known creditor of the Companies.

Upon the successful assignment of this debt, I will be in a position to convene a final meeting of creditors, pursuant to Section 106 of the Insolvency Act 1986. I will write to you in due course in this regard.

### 4 Liquidator's Remuneration

The liquidator will not draw any fees from the liquidation of the Companies and accordingly creditor approval of a resolution in this regard has not been sought.

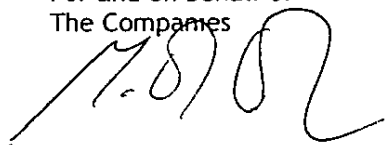

### 5 Creditors' rights

I provide at the end of this report an extract from the Insolvency Rules 1986 setting out the rights of creditors to request further information and/or challenge the remuneration or expenses within the liquidation.

The Insolvency Service has established a central gateway for considering complaints in respect of Insolvency practitioners. In the event that you make a complaint to me but are not satisfied with the response from me then you should visit <http://www.bis.gov.uk/insolvency/contact-us/IP-Complaints-Gateway> where you will find further information on how you may pursue the complaint.

If you require any further information regarding this matter, please do not hesitate to contact Robert Ferne on the above number.

Yours faithfully  
For and on behalf of  
The Companies

M Cohen  
Liquidator
