**1. PRINCIPAL ACTIVITY, OBJECTS OF THE CHARITY AND PUBLIC BENEFIT:**

The principal activity of the Society is to provide accommodation for lonely and elderly people in accordance with the aims and principles of the Abbeyfield Society Limited. This was established to provide a public benefit by way of relieving aged impotent and poor people of all classes. The house remained partly full throughout the year under review, voids amounted to £12,060 (2009 £8,088). The whole of the capital to finance the project has been provided by the Society.

The trustees confirm that they have complied with section 4 of the 2006 Charities Act in having paid due regard to the Charities Commission guidance on public benefit.

**2. CONSTITUTION & STATUS:**

The Society is registered as a company not having a Share Capital under the Companies Acts. Charity number 500384.

**3. RESULTS:**

The results for the year are as set out in the Statement of Financial Accounts on pages 6. The house has been generally maintained and expenditure charged to Repairs Reserves during the year was £NIL (2009 £NIL). The Committee considers that the state of affairs of the Society is satisfactory.

**4. GOVERNING DOCUMENT:**

The document governing the charity is the Memorandum and Articles of Association dated 3 December, 1969 and registered with Companies House on 19 December, 1969.

**5. APPOINTMENT OF TRUSTEES:**

Trustees are appointed by the committee. New trustees are proposed, vetted and references taken up before appointment.

**6. RESTRICTIONS IMPOSED BY THE GOVERNING BODY:**

The Memorandum and Articles of Association contains a widely drafted objects clause which contains 3 restrictive areas: Trade Unions, property subject to jurisdiction of Charity Commissioners for England and Wales and the Ministry of Education and the application of income and property of the Society.

**7. ACCOUNTING BASIS:**

The accounts comply with the statutory requirements, governing document and Statement of Recommended Practice (SORP 2005).

**8. ORGANISATION STRUCTURE AND DECISION MAKING**

The Society has a committee of 8 members headed by a Chairman. Resolutions are passed with each member having one vote, the Chairman having a casting vote if the votes are tied. Not all members of the committee are Trustees.

**9. RELATIONSHIP WITH OTHER CHARITIES:**

The Society runs the Carlisle house in accordance with the standards laid down by The Abbeyfield Society. The Society has no relationship with other related charities/parties with which it cooperates in the pursuit of its charitable objectives.

**10. REVIEW OF ACTIVITIES:**

- (iii) There have been no significant changes in activities this year
- (iv) There have been no events since the year end affecting activities
- (v) There are no likely future developments at the present time

**11. PRINCIPLE SOURCES OF FUNDING:**

The Charities activities are funded by residential charges and investment income received together with utilisation of reserves.

**12. RESERVES POLICY:**

The Society maintains the level of income reserves to meet the Society's needs effectively. They are maintained at a level that can be used to subsidise the property revenue when the occupancy of the home falls below the break-even point.

**13. EXPENDITURE:**

Expenditure during the year has solely related to the objectives of the charity.

**14. INVESTMENT POLICY:**

The Society's policy is to invest within the statutory regulations to secure income without endangering capital whilst retaining sufficient funds at relatively short notice to enable any capital works to be carried out. The Society considers its investment performance complies with the investment policy.

**15. MAJOR RISKS TO THE SOCIETY:**

We have reviewed the major risks to the Society. The major risk identified involves a position where we are unable to fill vacant rooms.

Our systems are such that we can monitor the situation and by using our investment income and reserves, we can carry on safely until the position improves.

The Society is not registered under the Housing Act 1974.

**2. ACCOUNTING POLICIES:**

**2.1 General**

The principal accounting policies of the Society are set out in the following sub-paragraphs.

**2.2 Accounting Basis**

The financial statements have been prepared under the historical cost convention, except for investments which are included at market value, and in accordance with applicable United Kingdom accounting standards, the Statement of Recommended Practice "Accounting and Reporting by Charities" issued in March 2005 (SORP 2005) and the Companies Act 2006.

The Directors/Executive Committee have taken advantage of the exemption in the Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the Charity is small.

**2.3 Finance**

The accounts are prepared on the basis that the capital expenditure referred to in Note 2.7 will not be grant aided, funded by loan, but met from reserves.

**2.4 Fixed Assets – Housing – Non HAG Assisted Schemes**

**2.4.2** To the extent that capital expenditure on housing land and buildings does not qualify for HAG and is financed from the Society's own resources, or from other charitable sources, an amount equal to that expenditure is transferred from the appropriate reserves of the Society to the credit of Property Equity Account.

**2.4.3** Interest not capitalised at either the interim or final repayment dates is charged to the Hostel Property Revenue Accounts.

**2.4.4** Expenditure on any scheme aborted is written off in the year it is recognised that the scheme will not be developed to completion.

**2.6.3 General**

These provisions are based on the Society's obligation to provide on a continuing basis for the cyclical maintenance and major repairs of its property, based on planned programmes of works including major repairs for which HAG will not be claimed. Provision has been made for cyclical repairs of £Nil in 2010, (2009 £Nil), and for major repairs of £Nil (2009 £Nil).
