SOUND ATTENUATORS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 1997

The directors present their report and financial statements for the year ended 31 August 1997.

Principal activities and review of the business

The principal activity of the company continued to be that of the manufacture, sale and installation of equipment to control and reduce environmental noise pollution.

The results for the year and the financial position at the year end were considered by the directors. The directors expect growth and a return to profitability in the near future.

The ultimate parent company has provided an undertaking that it will continue to provide sufficient funds to enable the company to meet its obligations as they fall due.

Results and dividends

The results for the year are set out on page 4.

The directors do not recommend payment of an ordinary dividend.

It is proposed that the retained loss of £94,102 is transferred to reserves.

Fixed assets

Changes in fixed assets during the year are explained in note 6 to the financial statements.

The freehold land and buildings have been revalued in line with the sales price included in a contract for the disposal of such property. The sale is due to be completed in 1998.

Directors and their interests

The directors who served in the year, and changes subsequent to the year end, were as follows:

R I Woods (Chairman)

C M McKay (resigned 27 September 1996)

G E Barnes

I P Evans

A T Fry

E R Knight

R Stubbings

N P Yule (resigned 30 September 1997)

G P David (appointed 4 August 1997)

No director had any interest in the company's shares at any time during the year.

The interests of R I Woods and E R Knight in the shares of group companies is shown in the directors' report of The Salex Group Limited, the ultimate parent company.

SOUND ATTENUATORS LIMITED

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 1997

The other directors who held office at 31 August 1997 had no interests in the shares of the Saalex Group Limited other than the following interests at the beginning of the year, or at their date of appointment, and at the end of the year:

	Ordinary shares of £1 each	
	1 September 1996	31 August 1997
G E Barnes	2,357	2,357
A T Fry	20,349	20,349
N P Yule	2,142	2,142

Auditors

In accordance with Section 385 of the Companies Act 1985, a resolution proposing that Blick Rothenberg be reappointed as auditors of the company will be put to the Annual General Meeting.

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

select suitable accounting policies and then apply them consistently;

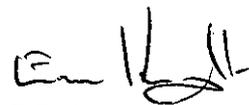

make judgements and estimates that are reasonable and prudent;

state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board

AUDITORS' REPORT TO THE SHAREHOLDERS OF SOUND ATTENUATORS LIMITED

We have audited the financial statements on pages 4 to 17 which have been prepared under the historical cost convention (as modified by the revaluation of certain fixed assets) and the accounting policies set out on pages 7 and 8.

Respective responsibilities of directors and auditors

As described on page 2, the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 August 1997 and of its loss for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

SOUND ATTENUATORS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 1997

1 Accounting policies

1.1 Basis of preparation

The financial statements are prepared under the historical cost convention modified to include the revaluation of freehold land and buildings and in accordance with applicable accounting standards.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.3 Patents

Expenditure on patents is written off as incurred.

1.4 Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred. Development expenditure is written off in the same way unless the directors are satisfied as to the technical, commercial and financial viability of individual projects. In this situation, the expenditure is deferred and amortised over the period during which the company is expected to benefit.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset over its expected useful life, as follows:

Freehold land and buildings	2.5% straight line
Short leasehold improvement	20% straight line
Plant, furniture and equipment	10% straight line
Motor vehicles	25% straight line

1.6 Leasing

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.7 Stock and work in progress

Stock and work in progress are valued at the lower of cost and net realisable value. Cost is determined on a first in first out basis. The cost of work in progress and finished goods comprises materials, direct labour and attributable production overheads. Net realisable value is based on estimated selling price less any further costs which are expected to be incurred to completion and disposal.

SOUND ATTENUATORS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 1997

1.8 Pensions

The regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employees' service lives on the basis of a constant percentage of earnings. Any difference between the charge to the profit and loss account and the contributions paid to the scheme is shown as an asset or liability in the balance sheet.

1.9 Deferred taxation

Deferred taxation is provided at appropriate rates on all timing differences using the liability method only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.
