REPORT OF THE DIRECTORS

The directors present their report together with the audited financial statements for the year ended 31 December 2000.

Principal activity

The company provides distribution and warehousing services throughout the UK.

Business review

The loss for the year after taxation amounted to £987,000 (1999: profit £2,392,000). The directors do not recommend the payment of a final dividend (1999: £Nil) and the balance of the loss for the year after taxation and dividends of £924,000 (1999: profit £2,392,000) has been retained and transferred to reserves.

Directors

The directors in office at the end of the year are listed below. Unless indicated, all served on the Board throughout the period.

E Stobart

W Stobart

R E C Butcher

S Monkhouse (resigned 29 December 2000)

B D Stewart (resigned 29 December 2000)

G Inglis (resigned 29 December 2000)

P D Foster (resigned 29 December 2000)

C Tyrrell (appointed 29 December 2000)

M Stewart (appointed 2 January 2001)

S Martin (appointed 8 January 2001)

The directors had no interest in the shares of the company during the period.

Mr E Stobart and Mr W Stobart are directors of the parent undertaking and their interests in the shares of that company are disclosed in that company's financial statements.

Donations

Charitable donations totalling £198,505 (1999: £108,052) were made during the year. There were no political donations during the year.

Disabled persons

The company's policy is that any vacancy which arises is open to disabled persons, provided that they are able to fulfil the functions required by that job. Employees who have been injured or become disabled in the course of their employment are considered for other suitable vacancies.

REPORT OF THE DIRECTORS

Employee involvement

Employees are kept informed about the progress and position of the company by means of regular departmental meetings and newsletters.

Directors' responsibilities for the financial statements

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records, for safeguarding the assets of the company and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

Grant Thornton offer themselves for reappointment as auditors in accordance with Section 385 of the Companies Act 1985.

BY ORDER OF THE BOARD

R E C Butcher Secretary

1 May 2001

REPORT OF THE AUDITORS TO THE MEMBERS OF

EDDIE STOBART LIMITED

We have audited the financial statements on pages 4 to 16 which have been prepared under the accounting policies set out on pages 4 and 5.

Respective responsibilities of directors and auditors

As described on page 2 the directors are responsible for the preparation of the financial statements in accordance with applicable United Kingdom law and accounting standards. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of company's affairs at 31 December 2000 and the loss for the period then ended and have been properly prepared in accordance with the Companies Act 1985.

PRINCIPAL ACCOUNTING POLICIES

The financial statements have been prepared under the historical cost convention (modified by the revaluation of land and buildings) and in accordance with applicable accounting standards.

The principal accounting policies of the company have remained unchanged from the previous period, and are set out below.

Turnover

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

Basis of preparation

The company is exempt from preparing consolidated financial statements on the grounds that it qualifies under Section 229 of the Companies Act 1985 as a wholly owned subsidiary of a company registered in England and Wales for which consolidated financial statements are prepared.

Depreciation

Depreciation is calculated using the straight line method and aims to write off the cost or valuation less estimated residual value of all tangible fixed assets over their expected useful economic life.

The rates and methods generally applicable are:

Leasehold property

1% straight line, or period of lease if shorter

Freehold property

2% straight line

Vehicles and trailers

12%-20% straight line

Plant and machinery

15%-20% straight line

Fixtures and fittings

20% straight line

Stocks

Stocks are stated at the lower of cost and net realisable value.

Leased assets

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and depreciated over their expected useful lives. The interest element of leasing payments represent a constant proportion of the capital balance outstanding and is charged to the profit and loss account over the period of the lease.

All other leases are regarded as operating leases and the payments made under them are charged to the profit and loss account on a straight line basis over the lease term.

Deferred income

Deferred income is deferred profit attributable to the sale and lease back of former group properties. The balance is to be released to the profit and loss account over the relevant period of the lease.

PRINCIPAL ACCOUNTING POLICIES

Deferred tax

Deferred tax is the taxation attributable to timing differences between profits or losses as computed for tax purposes and results as stated in the financial statements.

Deferred tax is computed under the liability method using the tax rates estimated to arise when the timing differences reverse, and is provided to the extent that it is probable that a liability or asset will crystallise in the foreseeable future. Unprovided deferred tax is disclosed as a contingent liability.

Contributions to pension schemes

The company operates two non-contributory defined contribution pension schemes and a self-administered defined contribution pension scheme. The pension costs charged against profits represents the amount of the contributions payable to the schemes in respect of the accounting period.
