The directors are satisfied that the company is entitled to exemption from the provisions of the Companies Act 1985 (the Act) relating to the audit of the financial statements for the year by virtue of section 249A(1), and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The directors acknowledge their responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with section 221 of the Act, and
- (ii) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These abbreviated accounts have been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

These abbreviated accounts were approved by the directors on 14 November 2006 and are signed on their behalf by:

The notes on pages 2 to 3 form part of these abbreviated accounts.

## Notes to the abbreviated accounts

# Year ended 30 June 2006

## 1. Accounting policies

#### **Basis of accounting**

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005).

# Financial Reporting Standard for Smaller Entities (effective January 2005)

The adoption of FRSSE (Effective January 2005) has had no significant effect on the financial statements of the company for the year ended 30 June 2006.

#### Turnover

Turnover represents the proceeds of sale of properties to third parties, together with rents receivable, fees for management services and the sale of trade investments.

#### **Fixed assets**

All fixed assets are initially recorded at cost.

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Furniture & equipment

33 1/3% straight line

Motor vehicles

15% straight line

#### Income from investments

Investment income comprises dividends declared during the accounting period and interest receivable on listed and unlisted investments.

## Work in progress (property in the course of construction)

Development property includes all costs incurred in bringing property developments to their present state, including an allocation of project overheads, and is included at cost less foreseeable losses. Cost includes interest charges on external borrowings which are directly related to specific development projects. Where there is a part disposal of development property, the sale value and attributable costs are taken to the profit and loss account. Profit is not taken until a sale is unconditionally complete.

Properties held for resale are stated at the lower of cost and net realisable value.

#### Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

#### Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

## 1. Accounting policies (continued)

#### **Deferred taxation**

Provision is made, under the liability method, to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes. Tax deferred or accelerated is accounted for in respect of all material timing differences.

#### Investments

Investments are valued at market value where traded on a recognised exchange and in other circumstances at the lower of cost and net realisable value as assessed by the directors.
