DIRECTORS' REPORT FOR THE YEAR ENDED 28 FEBRUARY 2015

The directors present their report and the financial statements for the year ended 28 February 2015.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PRINCIPAL ACTIVITIES

The principal activities of the company continue to be those of travel organisers and suppliers of related services.

DIVIDENDS

No dividends were paid during the year (2013: £2,500,000).

DIRECTORS' REPORT FOR THE YEAR ENDED 28 FEBRUARY 2015

DIRECTORS

The directors who served during the year were:

No directors had any interest in the shares of the company.

M D W Gooley, M Bannister, A M Russell and E R Lee are directors of the parent company, Trailfinders Group Limited. M D W Gooley owns 100% of the share capital of the parent company.

CHARITABLE DONATIONS

Charitable donations amounting to £950,000 (2014: £750,000) were made to The Mike Gooley Trailfinders Charity, which is an organisation, favouring support of Medical Research, Community projects which encourage young people in outdoor activities and Armed Forces veteran organisations.

A further £270,000 in donations were made to Prostate Cancer UK, £75,000 to Great Ormond Street, and £1,450 to SSAFA.

TRUST ACCOUNT

The company created a trust account in June 1993. This seperate legal entity continues to hold all clients' money received for travel arrangements until such time as payment is due to the suppliers. The company receives commission due only after the settlement of supplier accounts.

This method of safeguarding clients' funds is all too rare in the travel industry but, in the opinion of the directors, is by far the soundest and our action puts down a benchmark for others to follow.

EMPLOYEE INVOLVEMENT

Regular meetings with employees' representatives are held to inform them of the development of the business, together with a confidential internal newsletter published monthly and comprehensive company information available on the private internal Knowledgebase intranet which totals some 90,000 pages of information.

DISABLED EMPLOYEES

The directors endeavour to ensure that as far as possible the training, career development and promotion of disabled persons is the same as other employees. Should employees become disabled, every effort is made to

DIRECTORS' REPORT FOR THE YEAR ENDED 28 FEBRUARY 2015

ensure that their employment continues and appropriate retraining is received. There was one registered disabled person employed by the company during the year.

DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of
 any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Elman Wall Limited, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

MARKET VALUE OF LAND AND BUILDINGS

In the opinion of the Directors the market value of the land and buildings exceeds the current net book value.

This report was approved by the board and signed on its behalf.

STRATEGIC REPORT FOR THE YEAR ENDED 28 FEBRUARY 2015

INTRODUCTION

During the year the company operated 27 travel centres in the United Kingdom, 5 in London and one each in the following cities and towns: Aberdeen, Belfast, Birmingham, Bournemouth, Brighton, Bristol, Cambridge, Canterbury, Cardiff, Chester, Edinburgh, Exeter, Glasgow, Leeds, Liverpool, Manchester, Newcastle, Norwich, Nottingham, Oxford, St Albans (opened March) and Guildford (opened June). In October 2015 Trailfinders will open their thirtieth Travel Centre in Richmond, Surrey.

BUSINESS REVIEW

Gross sales turnover was at a figure of £583.6m (2014 - £566.2m). The operating profit for the year was at a figure of £21.067m (2014 - £20,474m). Both figures representing record results.

The Directors maintain a sense of optimism for future trading conditions.

After adding income and disposables from fixed assets interest recoverable and similar income the Profit on ordinary activities was £28,396 (£30,007 - 2014). The reduced figure was due entirely to foreign currency transactions (a weaker pound during the year in question) and downward pressure on interest rates received against Treasury deposits.

PRINCIPAL RISKS AND UNCERTAINTIES

The company's operations are subject to numerous risks such as currency movements, terrorism, disease, adverse weather conditions and other natural phenomena. In addition to managing these risks the legislative burden on the travel industry and in particular the EU Directive on Package Travel places a high cost in meeting the demands and obligations of this regulatory framework.

We hold an Air Travel Organisers License granted by the Civil Aviation Authority which ensures that in the very unlikely event of our insolvency our clients would be able to continue with their holiday as planned (if already abroad) or refunded in full if travel has not already commenced. As a double indemnity all client funds are held in a Client Trust Account established in 1993 as a market leader and which continues to offer a unique form of financial guarantee. This separate legal entity holds all client monies received for travel arrangements until such time as payment is due to the supplier. Transactional gross profit is then transferred to the general account following settlement.

We are also a member of The Association of Business Travel Agents (ABTA) and as such we are obliged to maintain a high standard of service governed by ABTA's code of conduct.

It should also be noted that the company operates a policy of reimbursing our clients in the event of an airline failing financially. This guarantee is offered by a method of self insurance and unlike many other travel organisers, Trailfinders does not charge for this protection.

The Directors consider cautious management of our cash reserves to be of paramount importance and this continues to be reflected in the balance sheet. This allows the company to manage all of the aforementioned risks and weather any prolonged down turn in business. It also allows the company to acquire other business opportunities at speed.

This report was approved by the board on 19 June 2015 and signed on its behalf.

M Bannister Director

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF TRAILFINDERS LIMITED

We have audited the financial statements of Trailfinders Limited for the year ended 28 February 2015, set out on pages 7 to 22. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF DIRECTORS AND AUDITORS

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic report and the Directors' report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 28 February 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF TRAILFINDERS LIMITED

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

The notes on pages 10 to 22 form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2015

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention as modified by the revaluation of freehold land and buildings and in accordance with applicable accounting standards.

The company is itself a subsidiary company and is exempt from the requirement to prepare group accounts by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group.

1.2 Cash flow

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose consolidated financial statements are publicly available, is exempt from the requirement to draw up a cash flow statement in accordance with FRS 1.

1.3 Turnover

Transactions relating to customers travel bookings are recognised in the financial statements at such times as payments are received from customers and deposited to the trust accounts. This treatment reflects the fact that customers retain the right to change or cancel their travel bookings at any time up to the date of payment. In accordance with the terms of the trust, transactions relating to customers' bookings are reflected in turnover when there is reasonable certainty that such transactions will be completed.

Turnover represents gross sales value to customers of air tickets, travel insurance, hotel bookings and other related services.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property - 2% - 2.5% straight line
Leasehold buildings - Over period of lease
Plant and machinery - 6.67% - 20% straight line
Motor vehicles - 6.67% - 20% straight line

Motor vehicles - 6.67% - 20% straight line Fixtures, fittings & equipment - 10% straight line

Computer equipment - 10% - 33.33% straight line

1.5 Revaluation of properties

Individual freehold and leasehold properties are carried at current year value at the balance sheet date. A full valuation is obtained from a qualified valuer for each property every five years, with an interim valuation three years after the previous full valuation, and in any year where it is likely that there has been a material change in value.

Revaluation gains and losses are recognised in the statement of total recognised gains and losses unless losses exceed the previously recognised gains or reflect a clear consumption of economic benefits, in which case the losses are recognised in the Profit and loss account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2015

1. ACCOUNTING POLICIES (continued)

1.6 Investments

Fixed asset investments are stated at cost less provision for impairment.

Long term investments in which the company has participating interests are stated at cost less provision for impairment. Listed investments and unlisted investments are stated at cost less provision for impairment.

1.7 Leasing

Assets obtained under finance leases are capitalised as tangible assets and depreciated over the shorter of the lease term and their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods.

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.8 Stocks

Stocks are valued at the lower of cost and net realisable value.

1.9 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets in the financial statements.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are discounted.

1.10 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

1.11 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2015

2. TURNOVER

The whole of the turnover is attributable to its principal activity wholly undertaken in the United Kingdom.
