THE INSOLVENCY ACT 1986

COMPANY VOLUNTARY ARRANGEMENT under Part I of the Insolvency Act 1986 (as amended)

12899 of 2009

CHAIRMAN'S REPORT

THIS REPORT is made by Richard Dixon Fleming, Licensed Insolvency Practitioner of KPMG LLP of 8 Salisbury Square, London EC4Y 8BB (the "Chairman") pursuant to the provisions of section 4(6) of the Insolvency Act 1986 (the "Act") and Rule 1.24 of the Insolvency Rules 1986 (the "Rules") and is the Chairman's Report on the result of the meetings of creditors and the meeting of members of JJB Sports PLC (the "Company") contemplated by such section and Rule.

Meeting of creditors

1. Pursuant to section 3 of the Act, the meeting of creditors took place at 11.00 am on 27th April 2009 at Royal Horticultural Halls and Conference Centre, 80 Vincent Square, London SW1P 2PE.
2. The EC Regulation on Insolvency Proceedings applies and these proceedings are main proceedings as defined by Article 3 of that regulation.
3. The Chairman introduced to the meeting the Directors of the Company who had submitted a proposal dated 6 April 2009 (the "Proposal"), being Messrs. Beever, Benzie, Jones, Lane-Smith, Manning and Williams. The Chairman was named as joint nominee.
4. The Chairman briefly explained at the meeting of creditors that the legislation which dealt with company voluntary arrangements was contained in Part I of the Act.
5. The Chairman advised those present at the meeting that as convener of the meeting and pursuant to Rule 1.14 of the Rules he was Chairman thereof. The Chairman asked whether there was any objection to the notice of meeting and the Proposal all as despatched to creditors and members on 6 April 2009 being taken as read and there was none.
6. Schedule 1 to this report lists the creditors who were present or represented at the meeting and sets out the details of the Voting and Notice of Claim submitted by creditors (which notices were available for inspection). That Schedule also gives details of the amount for which claims were accepted for the purpose of entitlement to vote.

7. Schedule 2 to this report contains a list of creditors whose claims were rejected for the purpose of entitlement to vote.
8. The Chairman asked whether any creditor present or represented had any questions. No questions were asked.
9. The Chairman then asked whether any creditor (or any other person entitled to do so) present or represented at the meeting wished to propose any modification to the Proposal. None did so. The Chairman noted that he had received one proxy form requesting that modifications be proposed.
10. The following resolution (the "Resolution") was then proposed:
THAT:
the proposed company voluntary arrangement be approved without modification".
11. A vote was then taken on the Resolution. There are set out in Schedule 1 to this report details as to how each creditor voted. It was noted that 99.91% in value of the creditors present or represented and voting, in person or by proxy, voted in favour of the Resolution.
12. It was noted that the requisite majority to pass the Resolution was a majority in excess of three-quarters in value of creditors present or represented and voting in person or by proxy in favour of the Resolution. The provisions of Rule 1.19(3) and (4) were also noted. Having regard (inter alia) to the provisions of Rule 1.19 the Chairman declared the Resolution passed.
13. Accordingly, the Proposal was approved by the creditors without modification.

Meeting of the Company

1. Pursuant to section 3 of the Act, the meeting of the Company took place at 11.00 am on 29th April 2009 at Royal Horticultural Halls and Conference Centre, 80 Vincent Square, London, SW1P 2PE.
2. The Chairman introduced to the meeting the Directors of the Company who had submitted a proposal dated 6 April 2009 (the "Proposal") for a company voluntary arrangement pursuant to Part I of the Act, being Messrs. Beever, Benzie, Jones, Lane-Smith, Manning and Williams. Under the Proposal, the Chairman was named as nominee.
3. The Chairman briefly explained at the meeting of the Company that the legislation which dealt with company voluntary arrangements was contained in Part I of the Act.
4. The Chairman advised those present at the meeting that as convenor of the meeting and pursuant to Rule 1.14 he was Chairman thereof. The Chairman asked whether there was any objection to the notice of meeting and the Proposal, all as despatched to creditors and members on 6 April 2009 being taken as read and there was none.
5. The members either present or represented at the meeting are as shown in Schedule 3 to this report, that Schedule indicating whether such members were present in person (or by corporate representative) or otherwise represented by proxy at the meeting. The Chairman indicated that proxy forms were available for inspection.
6. The Chairman asked whether any member present or represented had any questions and responded to the questions asked.

7. The Chairman then asked whether any member (or any other person entitled to do so) present or represented at the meeting wished to propose any modification to the Proposal. None did so. The Chairman noted that he had received one proxy form requesting that modifications be proposed.
8. The following resolution (the "Resolution") was then proposed:

"THAT:

the proposed company voluntary arrangement be approved without modification".
9. A vote was then taken on the Resolution. There are set out in Schedule 3 to this report details as to how each member voted.
10. It was noted that the Resolution was to be regarded as passed if voted for by more than one-half in value (determined by reference to the number of votes conferred on each member by the Company's articles of association) of the members present in person or by proxy and voting on the Resolution. Having regard (inter alia) to the provisions of Rule 1.20 the Chairman declared the Resolution passed.
