DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

The Directors present their report together with the audited consolidated financial statements of the Company with its subsidiary British Museum Ventures Limited ("the Group") for the year ended 31 March 2014.

For the year ended 31 March 2014, the Directors have opted to prepare the financial statements in accordance with the Statement of Recommended Practice for Charities (2005) for the first time. They consider that this presentation is more appropriate for The British Museum Company Limited, as an exempt charity. As a result, some of the prior year figures have been restated to ensure that the comparative results are presented in the same way. This restatement has not affected the reserves of the Group.

Structure, governance and management

The British Museum Company Limited is an exempt charity under schedule 3 of the Charities Act 2011. The Secretary of State for Culture, Media and Sport is the principal regulator of the charity under the Charities Act 2006. The British Museum owns 100% of the share capital of The British Museum Company Limited.

British Museum Ventures Limited is a registered company in England and Wales and undertakes all of the non-charitable trading of the Group. The British Museum Company Limited owns 100% of the share capital of British Museum Ventures Limited.

The governing body of The British Museum Company Limited is the Board of Directors, comprising not less than four and not more than fifteen members. The Board usually meets four times a year to agree the broad strategy and areas of activity of the Group. The names of the Directors that served during the year and up to the date of signing are listed on page 3.

The induction and training of new Directors is primarily through meetings with the senior management team. Induction programmes and training are further tailored to the individual needs and interests of the Director.

Objectives and activities

The Group undertakes various activities in direct support of the charitable objects of the British Museum such as the publication, by the British Museum Press, of books, guides and exhibition catalogues closely related to the collections of the British Museum. The Group also conducts income generating activities which allow it to make contributions to the British Museum in furtherance of its charitable objects. Such activities include the sale of souvenirs and merchandise through retail outlets on the British Museum's Bloomsbury site. The wholesale trade and e-commerce channels enable the business to reach other geographical markets. The Group is also responsible for the management of the British Museum Images (BMI) business and the on-site hospitality contract.

Reserves policy

The reserves policy is to retain between one and three months of operating expenditure to provide financial stability and act as a safeguard against unforeseen expenditure and lower than expected income. This represents £1m - £3m based on current year expenditure. An additional £1.5m is held to mitigate the risk of any deterioration in the company pension scheme. At 31 March 2014 the Company had unrestricted funds of £3.8m.

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

Going Concern

The Directors have a reasonable expectation that the Company and the Group have adequate resources to continue in operation for the foreseeable future and have therefore prepared the financial statements on a going concern basis.

Public Benefit

In setting the objectives for The British Museum Company Limited, the Directors have complied with the duty under section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission. The Directors consider that the activities outlined in this report demonstrate public benefit.

Directors

The Directors, who served throughout the year except as noted, were as follows:

Christopher Yates (Chair)
Joanna Mackle
Chris Michaels (appointed 31 March 2014)
Timothy Plyming (resigned 28 June 2013)
Jane Whittaker
Jonathan Williams

No Director had any interest in the shares of the Company at either 31 March 2014 or 31 March 2013.

Statement of Directors' responsibilities

The Directors are responsible for preparing the Directors' report, the Strategic report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs and income and expenditure of the charitable company and the Group for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

The Directors confirm that:

- so far as each Director is aware, there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Directors have taken all the steps that they ought to have taken as Directors in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditors

Grant Thornton UK LLP, having expressed their willingness to continue in office, will be deemed reappointed for the next financial year in accordance with section 487(2) of the Companies Act 2006 unless the company receives notice under section 488(1) of the Companies Act 2006.

STRATEGIC REPORT

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

Achievements and performance

The Group has had a successful year, with significant growth in income and in profitability, allowing a contribution within the year of f(2.5m) to the British Museum (2013: f(n)).

Growth in income was due to strong trading through the retail outlets within the British Museum and via the website. The success of exhibitions held at the Museum during the year such as Life and death in Pompeii and Herculaneum and Shunga: sex and pleasure in Japanese art in particular has led to high demand for the associated products. In addition, an increase in general visitor numbers has led to higher footfall in the shops.

The British Museum Press published 32 books in 2013/14. Many achieved excellent sales and reviews in the UK and internationally. Life and death in Pompeii and Herculaneum sold 40,000 copies. A Little Gay History won a Stonewall Book Award from the American Library Association. The Japan Times wrote of Shunga: sex and pleasure in Japanese art that it 'set the standard for this subject for years to come'.

In March 2014, a new retail outlet was opened in the British Museum's World Conservation and Exhibition Centre. This is primarily to support the exhibitions in the Sainsbury Exhibition Gallery; starting with *Vikings: life and legend.* The Great Court restaurant was refurbished during the year, and the cafés refreshed.

Financial review

Total incoming resources of £17.5m were generated this year; an increase of 33% from the previous year. Retail and E-commerce sales were higher due to increased visitor numbers to the British Museum and increased traffic to the British Museum website respectively.

Sales of exhibition titles, particularly Vikings: life and legend and Shunga: sex and pleasure in Japanese art were higher than anticipated. Reduced opportunities from travelling exhibitions, however, led to lower than expected income from product licencing and trade sales.

Total expenditure for the year before the contribution of £2.5m to the British Museum (2013: £nil) was £12.1m; an increase of 14% from the previous year.

Principal risks and uncertainties

The Directors are of the opinion that a thorough risk management process is in place whereby key risks facing the business are reviewed on a regular basis. The Directors monitor the progress of the overall company strategy by reference to certain financial and non-financial key performance indicators, for example, spend per visitor. Key risks are:

Visitor numbers and exhibitions

Turnover is largely dependent on the British Museum's visitor numbers which in turn is dependent on a strong public programme. The company liaises closely with the British Museum regarding expectations of forthcoming events and exhibitions and plans accordingly. The level of visitors may also be affected by major events in central London, such as security issues or disruption to international travel. The Group participates in Museum committees that plan reactions to such events.

Credit risk

The Group's principal financial assets are bank balances and cash, trade and other receivables. The Group's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance

STRATEGIC REPORT

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

sheet are net of allowances for doubtful receivables. The Group has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRITISH MUSEUM COMPANY LIMITED

We have audited the financial statements of The British Museum Company Limited for the year ended 31 March 2014 which comprise the Consolidated Statement of Financial Activities, the Consolidated and Company Balance Sheets, and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' responsibilities set out on pages 3 and 4, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/private.cfm.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charitable company's affairs as at 31 March 2014 and of the group's charitable company's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE BRITISH MUSEUM COMPANY LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the parent charitable company has not kept proper and adequate accounting records or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company's financial statements are not in agreement with the accounting records or returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

1. Accounting policies

Basis of Preparation

The consolidated financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards in the United Kingdom, the Statement of Recommended Practice for Charities (2005), the Companies Act 2006 and the Charities Act 2011.

The Group has taken advantage of paragraph 5(a) of Financial Reporting Standard No 1 Cash Flow Statements and not prepared a cash flow as it is a wholly-owned subsidiary of the British Museum; whose consolidated accounts are publicly available.

The parent company has taken advantage of section 408 of the Companies Act 2006 and paragraph 397 of the SORP 2005 and has not included its own profit and loss account in these financial statements. The income of the parent company was £9,028k (2013: £6,690k) and the expenditure was £8,994k (2013: £5,536k).

The principal accounting policies of the Group are set out below. They have all been applied consistently throughout the year and the preceding year.

The Directors have opted to prepare the financial statements in accordance with the Charities SORP for the first time this year. As a result, the categorisation of some financial statement lines has been changed.

Basis of consolidation

The Group financial statements consolidate the financial statements of the Company and its subsidiary undertaking, the British Museum Ventures Limited, drawn up to 31 March each year.

Incoming resources

Incoming resources from generated funds comprises trade and retail sales of merchandise and souvenirs made by British Museum Ventures Limited, net of Value Added Tax. It also includes commission received from the catering outlets located in the British Museum.

Incoming resources from charitable activities comprises trade and retail sales of publications, replicas and other products and services relating to the British Museum made by the charitable company, net of Value Added Tax. It also includes any grants to the Company.

Income is recognised once the Company has provided the associated goods or services. Where income is received in advance and the Company does not have entitlement to these resources until the good or services have been provided, the income is deferred. Grants are recognised when receivable.

Resources expended

Expenditure is recognised in the financial statements on an accruals basis. Resources expended are classified in the SOFA under the principal categories of costs of generating funds, charitable activities and governance costs.

Resources expended comprise direct expenditure including direct staff costs attributable to the activity. Where costs cannot be directly attributed, they are allocated to activities according to the method described in note 5b.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

1. Accounting policies (continued)

Costs of generating funds are those incurred in carrying out the non-charitable trading activities of British Museum Ventures Limited. Governance costs are those costs incurred in connection with the general governance of British Museum Company Limited including compliance with constitutional and statutory requirements.

Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets commencing from the month of acquisition, other than assets in the course of construction, at rates calculated to write off the cost of valuation, less estimated residual value, of each asset on a straight-line basis over its expected useful life, as follows:

Fixtures and fittings Computer equipment 3 - 10 years

3 - 15 years

Stocks and work in progress

Stocks are stated at the lower of cost and net realisable value, where cost includes materials, labour and attributable overheads. Net realisable value is based on estimated selling price, less further costs expected to be incurred to completion and disposal. Provision is made for obsolete, slow-moving or defective items where appropriate.

Foreign currency

Transactions in foreign currencies are expressed in Sterling at the rates of exchange at the date of conversion into Sterling. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

Operating leases

Payments in respect of operating lease agreements are charged to the profit and loss account on a straight line basis.

Contributions to pension schemes

Defined Contribution Scheme.

For the defined contribution scheme the amount charged to the profit and loss account reflects the contributions payable to the scheme in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments on the balance sheet.

Defined Benefit Scheme

The British Museum Company Limited operates a defined benefit scheme which requires contributions to be made to a separately administered fund.

The amounts charged to operating profit are the current service costs and interest costs and the expected return on scheme assets (included within staff costs). Actuarial gains and losses are recognised immediately on the face of the SOFA.

The assets of the scheme are held separately from those of the Group, in separate trustee administered funds. Pension scheme assets are measured at fair value. Scheme liabilities are measured using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent currency and term to the scheme liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

1. Accounting policies (continued)

The resulting defined benefit asset or liability is presented separately on the face of the balance sheet.

Funds structure

Interest receivable

The Company has the following categories of funds:

- restricted funds whose investment or usage is subject to specific restriction imposed by sponsors and donors.
- general funds which are available for use at the discretion of the Directors in furtherance of the general objectives of The British Museum Company Limited.

The major funds comprising each category, the summary results for the year and a description of the movements between the funds are described in note 14.

2. Activities for generating funds

Governance	25	2	27	36
Total resources expended	13,598	· 1,039	14,637	10,640

Included within charitable activities direct costs is a contribution to the British Museum of £2.5m.

5b. Allocation of support costs

	Service charge £'000	IT £'000	Staff related £'000	Building £'000	Other	Total 2014 £'000	Total 2013 £'000
Cost of generating funds	231	47	69	40	13	400	521
Charitable activities	368	75	109	63	22	637	547
Governance	1	-	. 1	·	· _	. 2	4
Total support costs	600	122	179	103	. 35	1,039	1,072

Costs that cannot be directly attributed to British Museum Company Limited's activities are allocated to activities on a basis consistent with the use of resources. All support costs are allocated using the proportion of direct expenditure spent on each of the objectives.

5c. Staff costs

	2014 £'000	2013 Restated £'000
Wages and salaries Social security costs	2,761 231	3,157 331
Pension costs	110	183
	3,102	3,671

During the year, the Group contracted an independent third party to provide temporary staff with a value of £268k (2013: £274k) in addition to the costs noted above.

The prior year pension cost has been restated to reflect the employer's pension costs that were recognised in the SOFA.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

The number of employees whose emoluments as defined for taxation purposes amounted to over £60,000 in the year was as follows:

		2014	2013
£60,001 - £70,000 £80,001 - £90,000 £90,001 - £100,000 £110,001 - £120,000 £120,001 - £130,000 £210,001 - £220,000		2 1 1 -	2 - 1 1 1 1
£220,001 - £230,000	 	4	7

Pension contributions of £26,781 in respect of the employees in the above bandings were paid to defined contribution schemes (2013: £78,982).

No director received any remuneration or was reimbursed any expenses by the Company during the year (2013: f,nil).

Total	2,268	17,479	(14,637)	(520)	4,590

15. Pensions

Defined Contribution Scheme

The Company operates a defined contribution pension scheme for the benefit of the employees who commenced their employment after 1 January 2000. The assets of the scheme are self-administered in funds independent from those of the Company. The total employer's contributions to this scheme during the year were £110k (2013: £183k).

Defined Benefit Scheme

The Company operates a defined benefit pension scheme for its employees who commenced their employment prior to 1 January 2000, the British Museum Company Limited Retirement Benefits Plan. The assets of the scheme are held separately from those of the Company and are managed by the BM Co Pension Trustee Company Limited.

For employees joining the scheme before 1 November 1993, the scheme is non-contributory. Employees joining the scheme with effect from 1 November 1993 pay 5% of pensionable salary towards the total. The cost of insuring the death in service benefits is payable in addition to these amounts.

Actuarial valuation

The pension scheme undertakes a full triennial actuarial valuation. This valuation establishes how much the scheme's assets are worth and how much the scheme needs in order to pay pensions as they fall due (the 'technical provisions'). Legislation states that pension trustees must be prudent when choosing the assumptions on which to base the valuation and sets a statutory funding objective that assets should be sufficient to cover a scheme's technical provisions, with a recovery plan drawn up to address any funding gap.

As at 31 March 2011, the date of the last completed full actuarial valuation, the scheme had 107 members, and the market value of the scheme was £8,427,824, with a further £84,273 of AVCs held separately from the main fund in the form of insurance policies. The actuarial value of those assets was sufficient to cover 81% of the benefits that had accrued to members, after allowing for expected future increases in earnings on a statutory funding objective basis. Current and future contributions reflect the deficiency.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2014

Registered company number: 1079888

15. Pensions (continued)

With effect from 1 April 2012, a schedule of contributions has been put in place to fund the scheme's defined benefits at the rate of 23.5% per annum of pensionable salary for scheme members together with a deficit reduction payment of £356k per annum from 1 April 2012 to 31 March 2016 followed by £141k per annum from 1 April 2016 to 31 March 2019.

Employer's pension contributions to the scheme during the year totalled £400k (2013: £410k). The company expects to contribute approximately £400k to its defined benefit pension scheme in the year ending 31 March 2014.

FRS17 valuation

There are different ways of valuing a pension scheme. The valuation included in these accounts is based on the results of the last completed triennial actuarial valuation of the Plan as at 31 March 2011, updated to 31 March 2014 by an independent qualified actuary and adjusted to take account of the requirements of FRS 17.

In contrast with the requirement under the statutory funding objective basis that assumptions must be prudent, FRS 17 stipulates that the assumptions should lead to the best estimate of the future cash flows that will arise under the scheme liabilities It also specifies that the discount rate should be based on the current rate of return on high quality corporate bonds of equivalent currency and term to the scheme liabilities.
