ABBEYFIELD TIVERTON SOCIETY LIMITED REPORT OF THE COMMITTEE

The Society is controlled by the committee members detailed on page 1.

The members of the committee have pleasure in presenting their annual report and financial statements for the year ended 31 March 2017.

OBJECTIVES AND ACTIVITIES

Summary of the objects of the charity set out in its governing document

The relief and care of elderly persons of all classes suffering from the disabilities of old age or otherwise in need.

The spreading of Christian principles to all human relationships and the application of humanitarian aims to promote the relief of the elderly.

To provide further education in the sphere of voluntary work, social work and similar activities so as to inculcate the principles of good citizenship.

Such other purposes recognised by English Law as charitable as the society shall determine from time to time.

The Society has had due regard to guidance published by the Charity Commission on public benefit and certify compliance with the Governance and Financial Viability Standard published by the Home and Communities Agency. The Trustees believe this is achieved via the charity's objectives and activities.

Summary of the main activities in relation to these objectives

The provision of sheltered accommodation for the elderly at its premises situated at numbers 2, 3 and 4 St Paul's Square together with care and companionship.

Additional details of objectives and activities

The Society is run by a committee of volunteers.

ACHIEVEMENTS AND PERFORMANCE

Summary of the main achievements of the charity during the year

The main aim of the Society is the welfare and quality of life of the residents. In addition to daily and other regular discussions, individual independent living plans are completed twice a year to ensure their needs are met. The general maintenance of the building and facilities are assessed on an ongoing basis and necessary work carried out immediately. During the year the central heating boilers were replaced.

During the year a number of vacancies arose for a variety of reasons and this led to a high level of voids before new residents were able to move in.

We said goodbye to our long term Housekeeper and her husband due to her retirement. We were able to interview a number of well qualified applicants and have been delighted, along with our residents, with our new appointment.

FINANCIAL REVIEW

Brief summary of the charity's policy on reserves

Abbeyfield Tiverton Society Ltd sets it rents to ensure that 10-15% of its income from tenants is added to reserves each year.

Our reserves are invested for funding future developments of Duffield House.

Financial result

After providing for outgoings of a revenue nature there is a net surplus for the year of £18,120 (2016 surplus £20,892). The balance of revenue reserves carried forward to future years amounts to £1,356,213 (2016 £1,338,093). The Society is able to meet all of its obligations.

Property values

The market value of the freehold properties, in the opinion of the committee, is in excess of the value shown in the balance sheet but the expenses of a professional valuation would not be warranted.

PLANS FOR FUTURE PERIODS

To continue to provide sheltered accommodation for the elderly and maintain the premises in a good state of repair.

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

ABBEYFIELD TIVERTON SOCIETY LIMITED NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH 2017

1. Summary of significant accounting policies

General information and basis of preparation

The Society is incorporated under the Companies Act 2006, the Charities Act 2011 and is a registered Provider of Social Housing in the United Kingdom.

The Society constitutes a public benefit entity as defined by FRS 102.

Basis of accounting

The financial statements have been prepared in accordance with applicable United Kingdom financial reporting standards including Financial Reporting Standard 102 *The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102)*, the Statement of Recommended Practice for Registered Social Housing Providers 2014, the Accounting Direction for Private Registered Providers of Social Housing in England 2015, the Charities Act 2011 and the Companies Act 2006.

The financial statements have been prepared on a going concern basis under the historical cost convention, with the exception of investments which are included at market value.

The financial statements are prepared in sterling, which is the functional currency of the Society and rounded to the nearest £.

Turnove

Turnover represents rental income receivable in the year, net of losses from voids, and grant income receivable.

Fixed assets and depreciation

Tangible fixed assets are stated at cost, less accumulated depreciation and capital grants. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

Fixtures and fittings

15% reducing balance basis

Computers

3 years straight line

Housing properties

Housing properties are included at cost.

The Committee has not accounted for depreciation on its housing properties because the life of the property and residual value are such that any depreciation charge and accumulated depreciation are immaterial.

Improvements are works to existing properties which result in an increase in net rental income, including a reduction in maintenance costs or result in a significant extension to the useful economic life of the property.

Housing properties are reviewed for impairment at the end of each reporting period.

Government grants

Government grants were received back in 2001 and 2005 as a contribution towards capital cost. These grants were previously deducted from the cost of the housing properties, however due to the implementation of the SORP the comparatives have been restated. As the housing properties are valued at cost, grants should now be accounted for under the accruals model which means that grant income is recognised on a systematic basis over the expected useful life.

Value added tax

Irrecoverable VAT which can be attributed to a capital item or revenue expenditure is added to the cost of the capital item or

Pension Costs

The Society operates a defined contribution scheme for the benefit of its employees. The cost of contributions are written off against surpluses in the year they are payable.

Taxation

The Society is currently exempt from taxation.
