ABBEYFIELD TIVERTON SOCIETY LIMITED. REPORT OF THE COMMITTEE

- 1

The Society is controlled by the committee members detailed on page 1.

The members of the committee have pleasure in presenting their annual report and financial statements for the year ended 31 March 2014

STRUCTURE, GOVERNANCE AND MANAGEMENT

Type of governing document

Memorandum and Articles of Association

How the charity is constituted

Company limited by guarantee

Committee selection method

Appointed by existing committee members

Additional governance issues

The committee members have examined the major risks which the charity faces and confirm that systems have been established to lessen those risks.

OBJECTIVES AND ACTIVITIES

Summary of the objects of the charity set out in its governing document

The relief and care of elderly persons of all classes suffering from the disabilities of old age or otherwise in need.

The spreading of Christian principles to all human relationships and the application of humanitarian aims to promote the relief of the elderly.

To provide further education in the sphere of voluntary work, social work and similar activities so as to inculcate the principles of good citizenship.

Such other purposes recognised by English Law as charitable as the society shall determine from time to time.

Summary of the main activities in relation to these objectives

The provision of sheltered accommodation for the elderly at its premises situated at numbers 2, 3 and 4 St Paul's Square together with care and companionship.

Additional details of objectives and activities

The Society is run by a committee of volunteers.

ACHIEVEMENTS AND PERFORMANCE

Summary of the main achievements of the charity during the year

The main aim of the Society is the welfare and quality of life of the residents. In addition to daily and other regular discussions, individual independent living plans are completed twice a year to ensure their needs are met. This year the number of voids has decreased and the number of enquiries and the waiting list has grown.

The Society has worked hard to maintain the high standards recognised by the Gold Star award, including reviewing and updating policies and procedures as appropriate and carrying out risk assessments, implementing recommendations where needed. A Legionella Survey identified some remedial works, including the decommissioning of an unused bathroom and removal of storage tanks, which have been carried out.

FINANCIAL REVIEW

Brief summary of the charity's policy on reserves

Abbeyfield Tiverton Society Ltd sets it rents to ensure that 10-15% of its income from tenants is added to reserves each year.

Our reserves are invested for funding future developments of Duffield House.

ABBEYFIELD TIVERTON SOCIETY LIMITED REPORT OF THE COMMITTEE (CONTINUED)

Financial result

After providing for outgoings of a revenue nature there is a net surplus for the year of £22,007 (2013 surplus £18,113). The balance of revenue reserves carried forward to future years amounts to £894,663 (2013 £872,656). The Society is able to meet all of its obligations.

Plans for future periods

To continue to provide sheltered accommodation for the elderly and maintain the premises in a good state of repair.

Property values

The market value of the freehold properties, in the opinion of the committee, is in excess of the value shown in the balance sheet but the expenses of a professional valuation would not be warranted.

1.

Other

The Society has had due regard to guidance published by the Charity Commission on public benefit.

Statement of the committee's responsibilities

The Companies Act 2006, the Charities Act 2011 and registered social housing legislation require the committee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the society and of the surplus or deficit of the society for that period.

In preparing those financial statements, the committee is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the society will continue in business.

The committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the society and to enable it to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011, the Charity (Accounts Reports) Regulations 2008, the Housing and Regeneration Act 2008 and the Accounting Direction for private registered providers of social housing in England 2012. It is also responsible for taking reasonable steps to safeguard the assets of the society and to prevent and detect fraud and other irregularities.

Small company exemptions

This report has been prepared taking advantage of the small companies exemption of Section 415A of the Companies Act 2006.

ABBEYFIELD TIVERTON SOCIETY LIMITED NOTES TO THE FINANCIAL STATEMENTS • YEAR ENDED 31 MARCH 2014

1. Principal Accounting Policies

The Society is incorporated under the Companies Act 2006, the Charities Act 2011 and is a registered provider of Social Housing.

Basis of accounting

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting by Registered Social Housing Providers (Update 2010), the Accounting Direction for private registered providers of social housing in England 2012, the Charities Act 2011, the Companies Act 2006 and applicable United Kingdom Financial Reporting Standards. The accounts are prepared on the historical cost basis of accounting except as modified by the revaluation of investments.

Turnover

Turnover represents rental income receivable in the year net of losses from voids.

Fixed assets and depreciation

Tangible fixed assets are stated at cost, less accumulated depreciation and capital grants. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

Fixtures and fittings Computers 15% reducing balance basis 3 years straight line

Housing properties ·

Housing properties are included at cost less capital grants.

The Committee has not accounted for depreciation on its housing properties because the life of the property and residual value are such that any depreciation charge and accumulated depreciation are immaterial.

Improvements are works to existing properties which result in an increase in net rental income, including a reduction in maintenance costs or result in a significant extension to the useful economic life of the property.

Housing properties are reviewed for impairment at the end of each reporting period.

Social Housing and Other Grants

Where developments have been financed wholly or partly by social housing and other grants, the cost of those developments has been reduced by the amount of the grant received. These grants may be repayable should the Society decide to sell the asset concerned.

Value added tax

Irrecoverable VAT which can be attributed to a capital item or revenue expenditure is added to the cost of the capital item or expenses.

Pension Costs

The Society operates a defined contribution scheme for the benefit of its employees. The cost of contributions are written off against surpluses in the year they are payable.

Taxation

The Society is currently exempt from taxation.
