Directors' Report

For the year ended 31 March 2004

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The directors are required to prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business.

The directors confirm that suitable accounting policies have been used and applied consistently. They also confirm that reasonable and prudent judgements and estimates have been made in preparing the financial statements for the year ended 31 March 2004 and that applicable accounting standards have been followed.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditors, PricewaterhouseCoopers LLP have indicated their willingness to continue in office.

The company has elected under section 386 of the Companies Act 1985 not to re-appoint auditors annually.

Therefore the auditors, PricewaterhouseCoopers LLP, are deemed to be re-appointed for the next financial year.

Approved by the board of directors on 4 January 2005

Independent Auditors' Report
For the year ended 31 March 2004

Independent auditors' report to the members of Radio Hallam Limited

We have audited the financial statements which comprise the profit and loss account, the balance sheet and the related notes.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the annual report and the financial statements in accordance with applicable United Kingdom law and accounting standards are set out in the statement of directors' responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards issued by the Auditing Practices Board. This report, including the opinion, has been prepared for and only for the company's members as a body in accordance with Section 235 of the Companies Act 1985 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions is not disclosed.

We read the other information contained in the annual report and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. The other information comprises only the directors' report.

Basis of audit opinion

We conducted our audit in accordance with auditing standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs at 31 March 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes to the accounts

For the year ended 31 March 2004

1 Accounting policies

Basis of accounting

These financial statements are prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

Depreciation

The cost of tangible fixed assets less estimated residual value on disposal is written down evenly over their expected useful lives as follows:

Short leasehold buildings	- over the length of the lease
Office equipment and motor vehicles	- 3 to 5 years

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Tax deferred or accelerated by the effect of timing differences is accounted for to the extent that a transaction or event that has occurred at the balance sheet date gives rise to an obligation to pay more tax or a right to pay less tax in the future. Deferred tax assets are only recognised to the extent that, based on available evidence, it is more likely than not suitable taxable profits will arise from which the reversal of the asset can be deducted.

Leasing

Rental costs under operating leases are charged to the profit and loss account in equal annual amounts over the period of the lease.

Pensions

The ultimate parent company, Emap plc, operates a defined contribution pension plan, Flexiplan, for eligible staff across the group. The group also operates a number of other schemes which are closed to new members. The principal scheme is the Emap Earnings Related Pension Plan, a defined benefit scheme which is funded by payments to trustee administered funds.

The cost of providing pensions under the defined contribution scheme is charged to the profit and loss account as it becomes payable. The cost of providing pensions under the group's defined benefit scheme is charged against profits on a systematic basis with pension surpluses and deficits arising allocated over the expected remaining service lives of current members. Differences between the amounts charged in the profit and loss account and payments made to the pension funds are treated as assets or liabilities.

Cash flow statement and related party disclosures

The company is a wholly owned subsidiary of Emap plc and is included in the consolidated financial statements of Emap plc, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard 1 (revised 1996). The company is also exempt under the terms of Financial Reporting Standard 8 from disclosing related party transactions with entities that are part of the Emap plc group or investees of the Emap plc group.

2 Turnover

Turnover represents income received from the sale of advertising time together with sponsorship, club activities and other associated services, and is net of value added tax.

3 Operating profit

(a) This is stated after charging

	2004 £'000	2003 £'000
Auditors' remuneration - audit	7	5
Depreciation of owned tangible fixed assets	225	323
Operating lease rentals - Plant and machinery	77	65
- Other	84	84

During the year, a common chart of accounts was introduced across all Emap group companies in the UK, and this has led to all costs and expenses in the current year being treated on a consistent basis. Prior year costs and expenses have been restated, with certain salary costs being reclassified from cost of sales to administrative expenses.

	1,243	1,506

(b) Pension costs

The company participates in pension schemes operated by the group. The two largest, one defined contribution, the other defined benefit, cover between them over 90% of total membership. In all cases the assets of the schemes are held in separate trustee administered funds.

The latest actuarial assessment of the main defined benefit scheme was at 5 April 2003, further details of which can be found in the annual report and accounts of Emap plc.

(c) Employees

The average weekly number of persons (including executive directors) employed by the company during the year was 36 (2003 - 40).

(d) Staff share bonus

Through the Emap Share Plan, Emap Plc has this year offered free shares to the value of £820 (2003 - £800) to qualifying staff. Sharemap is part of Lifemap, Emap's flexible benefits plan and allows staff to save up to £1,500 a year to buy Emap Plc shares. Emap Plc will then match the cumulative investment in shares on a one to one basis. The shares are held in trust for staff for three years, after which time they can be sold. After five years, the shares are free of income tax on release from the trust. The Emap SAYE scheme has now run in the UK for 20 consecutive years.
