Members have not required the Company to obtain an audit of its accounts for the year in question in accordance with subsection (2) of section 249B of the Act.

Company law requires the Directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of the profit or loss of the Company for that period. In preparing those accounts, the Directors are required to:

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
